

### Alfred L. Ayers . . .

Continued from first page  
reading the scripture and prayers and Frank S. Parker delivering the eulogy of the Masonic order of which the deceased had been a member for more than 57 years. Mrs. Ture Peterson sang two hymns accompanied by Mrs. Clyde Dunham at the piano. A large number of people assembled at the hall to pay their last respects to one who had been long a respected and esteemed citizen.

Alfred Lee Ayers was born April 15, 1865 at Forest Grove, Oregon, of pioneer parents. He came with the family to Morrow county when this region was young and spent the greater part of his life in this section. He was married to Cora Neill of Salem in 1898. They lived for a time near Payette, Ida., where he engaged in the sheep business, returning to Heppner on account of Mrs. Ayers' health. She died in August 1903. In 1905, Mr. Ayers married Addie M. Parker and they made their home here until 1926 when they moved to Portland. Upon her death in 1940, Mr. Ayers returned here to make his home with Mr. and Mrs. Percy Hughes.

Mr. Ayers was for many years associated with H. V. Gates and W. E. Pruyin in operating the Heppner Light and Water company. He was a member of the Elks lodge and a communicant of the Episcopal church.

Deceased leaves one sister, Mrs. Prudence Currin, Portland; six nieces and nephews, Mrs. L. Walker, Payette; Mrs. Harry Williams, Portland, Mrs. Percy Hughes, Heppner; Mrs. Bertram Warren, Walla Walla; Clyde Currin, Payette, and G. E. Ayers Freewater.

#### COMMITTEES NAMED FOR WHEAT LEAGUE MEETING

County committee appointments for the coming annual meeting of the Eastern Oregon Wheat league at Arlington Dec. 7 to 9 have been announced by state officers showing three committees named for Morrow county to consider matters prior to the state meeting.

These county committees will, as usual, present their recommendations at state committee sessions in Arlington on Thursday prior to the opening of the main sessions on Friday, explains Ted Smith, representative of Morrow county on the state executive committee.

Three county committees will deal with agricultural programs and land use, taxation and legislation, and the three-fold subject of production, marketing and transportation. Chairmen of these committees for this county are, respectively, Henry Baker, Henry Peterson and O. W. Cutsforth.

Committee meetings for this county have been called by the chairmen to be held Wednesday, Nov. 29 in Heppner.

E. O. W. L. officers report that the program for the 17th annual session is practically complete with

well known state and national specialists engaged to present the postwar outlook on subjects of most importance to Columbia basin wheat growers.
