

Council Committee Gives Phonograph

Gift of a portable electric phonograph and 37 records to the veterans administration at Walla Walla brought the following letter of appreciation to Mrs. Ralph Thompson, Morrow county chairman of the Blue Mountain Camp and Hospital council, from Lt. Col. J. J. Beatty, manager. Under date of Dec. 14, Lt. Col. Beatty writes: "We have just received from the Blue Mountain Camp and Hospital council a portable electric phonograph and 37 records. This is a wonderful gift from your Morrow county committee and will certainly give a great deal of pleasure to our patients. Will you please express to all who participated in making this gift our most sincere appreciation."

This is the second gift of a phonograph to the hospital at Walla Walla, the first one in June by Mrs. Laxton McMurray of Ione. Since June 1 the local committee has provided \$50 worth of new records.

VETERANS' COUNCILING COMMITTEE APPOINTED

President Roben J. Maaske of Eastern Oregon College of Education has announced the appointment of a Veteran's Counciling committee to work in conjunction with local Veteran's organizations and to aid in advising veterans concerning their additional educational opportunities under the G. I. bill and the Rehabilitation law. Roy L. Skeen, professor of psychology, was appointed chairman of this committee.

A number of additional veterans are expected to enroll at the college on the opening day of the winter term, Tuesday, Jan. 2. Lyle H. Johnson, registrar, announced that any student as well as veterans may begin his college career on this date.

Brawling action and blazing romance, from the thrilling SatEve-Post serial and novel "Pilebuck" by Oregon Authtors John and Ward Hawkins.

SEE how they compare! One is *up*, but the other is *down*. Since 1939, the cost of living has gone UP 25.4%*—while the average price per kilowatt-hour of PP&L electricity is DOWN 21%. Our customers have had three rate reductions and two "rate dividends" in those five years. And the average price we receive for residential electric service is down from 2.36 cents per kilowatt-hour then to only 1.86 cents now. In fact, the average home served by PP&L is using nearly twice as much electricity today as was used fifteen years ago —and at no more cost!
