WILLOWS GRANGE NEWS

By Mary Lundell, Secretary

Although the ground hog and weatherman brought about a real second winter and a snow storm made the home circle and cozy fire seem an especially enjoyable spot, a number of grangers braved the elements and hid themselves to the grange hall at Ione Saturday evening where a profitable and pleasant meeting was enjoyed.

Reports of the agricultural, legislative and home economics committees showed especial activity in their various departments.

The dance committee reported a dance to be given on March 10, 50 percent of profits from this dance will be sent to the national grange to help pay off indebtedness of the new headquarters building purchased last year in Washington D. C.

The Home Economics club voted to send \$5 each month to McCaw hospital, \$5 was allowed the lecturer for program materials, \$1 was sent to the Spense memorial fund, Portland, and \$5 to the March of Dimes.

A resolution approved by the grange favors the earliest possible fulfillment of the hospital building plan voted at the November election.

Work in the 3rd and 4th degrees will be given at the next regular meeting of Willows grange, March 17. Other granges are invited to bring their candidates and join us in initiation.

Most of the 1945 grange dues have been collected.
