DAIRY PAYMENTS CONTINUED
Dairy production payments to producers for the month of January, February and March will be made at the rate of 70 cents per hundred weight for whole milk and 10 cents per pound for butterfat. Payments for this period will be made to producers applying at the AAA office after April 1 and not later than May 31.

RUSSIAN ARMY GETS BUTTER
During 1944 four percent of the total butter supply of the United States was shipped to the USSR for use by the Russian army.

EGG PRICE SUPPORT
With war requirements in 1945

than in 1944, it appears likely that government buying of eggs for price support will not be needed. Shortages of egg cases, labor and transportation might interfere with normal distribution. WFA will stand ready to support the producer's market by shell egg purchases, if necessary.

DRY PEAS SUPPLY LARGE
The support price for dry edible peas of \$4.50 a hundred weight will apply only to producers who keep within their acreage goals or who feed all peas grown on excess acres to poultry or livestock.

Food Program Under Way in County

The week of March 3 to 11 is being observed throughout the United States as National 4-H Club week. Members everywhere are doing their part to produce and save food, to make the most of what they have and to keep up with the 4-H club motto, "Make the Best Better."

Morrow county has 13 clubs or-
tually the same as these prices in 1944 before ceiling adjustments were made for reduced yields. Some minor changes in pricing areas also are proposed by OPA.

THANK YOU!

Having sold Nell's Beauty Shop, I do not want to retire from the business without expressing my appreciation to the women of Morrow County for their patronage and support during the time of my ownership.

I sincerely hope you will continue to have your beauty work done at the same place, now under the name of the MarCarol Shop.
