

MANY ATTEND POMONA FOR INTERESTING SESSION

By Mrs. Mary Lundell
Morrow county Pomona met Saturday April 7 at Rhea Creek grange hall. In spite of the downpour and busy season, a large crowd was in attendance.

Mr. and Mrs. Chas. Wicklander, state organizer and district juvenile organizer, respectively, were present and gave some information of special interest to members.

The afternoon program included such speakers of note as Lt. Devaney, Civil Air Patrol; Mr. Ellison, ruler; Commissioner Garnet Bar-

ral electrification administration on ratt on Morrow county hospital; County Agent Arnold Ebert on agricultural problems; Mrs. Jack Mulligan on cancer control, and Mrs. R. B. Rice explained the newly organized OPA panel. Miss Mildred Carlson entertained with a piano solo.

Other matters coming before the meeting were talks on legislation by Henry Peterson who discussed to some extent Bill No. 62 and H. Bill 80; George Peck on the tax situation; Orville Cutsforth, R. B. Rice and S. J. Devine on county affairs in general.

LEAVES FOR SOUTH

Claude Snow, ARM 3/c, left Wednesday morning for San Diego, where he expects to be stationed for the next four or five weeks. Mrs. Snow and their son accompanied her parents to Newport, Wash. to stay until her husband can make arrangements for his family to come to San Diego. Mr. and Mrs. Oscarson, parents of Mrs. Snow, and her brother Roney and family from Nebraska, have all been visiting at the home of Mr. and Mrs. Richard Johnson.

HEADED FOR HOME

Mrs. Harold Sherer has received a letter from her brother, Plt Sgt Lee Pettyjohn of the U. S. M. C., stating that he is waiting for a boat to return to the States after more than two years in the South Pacific. Lee has been in service for three years and has not been home for two and a half years.

Sgt Roy Pettjohn of the Signal Service has been moved to Alaska after some time spent in the Aleutians. Roy's wife, formerly Betty Lou Lindsey, is working in Salem.

RETURNS FROM CORVALLIS

William Driscoll returned last week from Corvallis where he spent several weeks. Mrs. Driscoll recently submitted to a surgical operation there and he reports her doing nicely. The Driscolls have decided to move to Corvallis to make their home and are offering their Heppner residence property for sale. "Dad" as he is familiarly known recently tendered his resig-

nation as head janitor of the Heppner schools after serving in that capacity since 1917.

P-TA ELECTS OFFICERS

Harold Becket was elected president, Mrs. Tress McClintock, vice president, Mrs. Conley Lanham, secretary and Marvin Wightman, treasurer at the annual meeting of the Heppner Parent-Teacher association held in the music room at the school Wednesday evening. The new president will name committees for the ensuing year. Comment on last night's program will appear next week.

Ellis Thomson arrived in Heppner Monday from Washington, D. C. and left Wednesday for Portland to see his step-mother, Mrs. Mary Thomson, who is taking treatments in the city. This is Ellis's first visit here in nine years. He is a veteran of the African campaign and is now engaged in departmental work in the national capital.
