## Our Quota in the 7th War Loan is \$353,000

**Can we make it?  
We'll tell the world we can!**

DOES that figure sound big, neighbor? Well, those Super-forts that are plastering Japan are big—and cost plenty. Battleships are big—and cost millions. The job our fighting men are doing is big—and the cost is staggering.

So, of course, *our* job is big. But we can do it if you and every other patriotic American in this city buy a BIGGER bond than before... or invest a BIGGER portion of income in War Bonds *now!*

Study the chart on the right. See what your country expects *you* to do in the 7th War Loan. Remember, *you* are part of America—a part of America's might!
