MY POP'S A SMART MAN!

"He's saving money for my college by buying War Bonds, and hanging onto them too! But he says that he knows what to do in case we need money in a hurry sometime when the family budget gets out of balance or an emergency comes up—like the time Granny was sick. He says we can borrow at the First National Bank!

"My Pop says borrowing from a bank is good business and that it doesn't cost as much that way. He says too that when you borrow from the First National Bank you establish your credit so you can use it again if you want to."
