THE OLD JUDGE SAYS...

MARY: "Jim, didn't you say you wanted to ask the Judge something about grain, the next time you saw him?"

JIM: "That's right, I did, Mary. Is it true, Judge, that distillers recover part of the grain they use in making war-alcohol?"

OLD JUDGE: "That's absolutely true, Jim. Wherever the government has permitted distillers to purchase the equipment neces-

sary to reprocess the used grain, at least 50% of the feed value (25% by weight) of the whole grain is recovered. It comes back to farms like yours in the form of premium-quality livestock feed... rich in vitamins B₁ and B₂."

JIM: "Is the same thing true when distillers are permitted to make whiskey, Judge?"

OLD JUDGE: "Yes, every bit as true, Jim."
