

MOVERS SHOULD TURN IN FUEL OIL COUPONS

People moving from one house to another are reminded by the OPA office that they should turn in unused coupons and make application for new coupons to apply to their new residences. Coupons are issued on the residence and are not usable elsewhere, the ration board states.

Sugar applications are beginning to come in to the local office and it is noted that some applicants are neglecting to sign on all the lines expected of them. Such applicants should call at the office and get the blanks properly filled out so the board may go ahead with the processing.

HANK STOTTS HOME

Hank Stotts arrived home Wednesday after an enforced sojourn of many months in Germany. He was among some of the first prisoners of war released by the American forces in their eastward trek through the one-time Hitlerian naziland. Despite his months of prisoner fare he is looking fine and the privilege of being home is fast wiping out the memories of those dark days.

HOW MUCH TO MOVE A WAR?

AS SOON as we can, we'll bring to bear on the Japs all the additional might we've been using against Germany.

What will it cost, this Moving Day of War? Estimate it in these terms: The job of moving millions of men from one front to another. Thousands of ships to carry the supplies of battle. Swarms of new-type aircraft to blast the path into enemy territory.

You can get an idea of the cost from the fact that Uncle Sam needs 7 billions from us in the mighty Seventh War Loan—now!

The Seventh War Loan will call for the greatest bond-buying we have ever done.

If you have an income—whether from work, land, or capital—you have a quota in the 7th War Loan. Be sure to make it!
