HUNTING REGULATIONS TO BE CONSIDERED

The hearing of the Oregon State Game commission in regard to the 1945 hunting regulations will start at ten o'clock Saturday morning July 14, at its offices in 616 Oregon building, Portland.

Seasons, bag limits and other regulations governing the taking of game birds, game animals and fur bearing animals will come up for consideration at that time.

The hearing is open to the public.

THE OLD JUDGE SAYS...

FRED: "Is it true, Judge, that a war can't be won without the use of war-alcohol... the kind the beverage distillers have been producing for the government for ever two years?"

OLD JUDGE: "That's right, Fred. It is a basic ingredient in the smokeless powder used in virtually every firearm from a pistol to a 16-inch gun. And, in addition, it plays

a more human role. The medical supplies which our military doctors use to alleviate pain, combat infection, save lives are prepared with war-alcohol."

FRED: "No wonder, then, more and more people are recognizing the great contribution our beverage distillers have made to the winning of the war with their double-duty product."
