

Water Heaters on List of "Firsts"

One of the American housewife's first articles for replacement in the home or new purchase when house hold goods are again on the market is the water heater. This conclusion has been arrived at through a postwar survey and during the week the Heppner Hardware and Electric company has been informed by P. L. Fowler, general manager of the Fowler Manufacturing company, that the new northwest plant in Portland is completed and ready to supply electric water heaters for the Heppner area as soon as materials and manpoer permit.

At present electric water heaters may be ordered only through priority, but families may place their orders beforehand to assure the earliest possible delivery.

PARTIES HONORING LOCAL BRIDE-ELECT OF RETURNING SOUTH PACIFIC VETERAN

Miss Harriet Hager was completely surprised last Friday evening when twenty-three of her friends arrived to spend the evening. "Mid many "My Word" and similar expressions of unfeigned surprise Harriet and her mother, Mrs. J. O. Hager, who was in on the plans, set up card tables and managed to get the party under way. Court Whist was played and after the serving of refreshments a huge basket loaded to overflowing with gaily wrapped gifts was brought in and presented to the honoree. This brought further exclamations of surprise and delight and after the gifts had all been unwrapped and duly inspected the guests took their leave.

Miss Hager is the bride-elect of Major Clayton Shaw of Portland who has just returned to the States after nearly four years in the south Pacific. The young couple met on the Oregon State campus when they were students there.

Hostesses for the party were Mrs. Len Gilman, Mrs. Harlan McCurdy Jr. and Mrs. Willard Blake.

Mrs. Charles Vaughn and Mrs. Earl Gilliam were hostesses for a miscellaneous shower for Miss Hager at the Vaughn home Wednesday evening. Twenty guests were present and bridge was played with Mrs. Grace Nickerson winning first prize. Miss Hager received many gifts from those assembled in her honor.

TOWN AND FARM WOMEN BEATING CITY FOLKS AT FAT SAVING

Our government knows that city women have done an outstanding job saving used fats—but, now that you town and farm women have rolled up your sleeves, you are providing more used fats per kitchen than any other group in the U. S. Keep it up! 100,000,000 more pounds of used fats are needed this year to help make vital war supplies. Without your record savings, we'll never make that quota.

Save every drop! Remember, it's the small amounts that fill the salvage can faster. Drippings, skimmings, scrapings, and fat scraps melted down. Your butcher will give you 2 red points and up to 4¢ a pound. If you have any difficulty, call your Home Demonstration or County Agent. Approved by WFA and OPA. Paid for by Industry.
