Won't You Pitch In?

MR. FARMER, we need your help. We need you to pitch in on a job that's bigger now than at any time since Pearl Harbor.

It's the job of helping our people here at home, and our sons and brothers and husbands wherever their military duties may have taken them.

We need your help to keep U.S.O. Clubhouses and Camp Shows going, to enable War Prisoners' Aid to spread its mercy among American prisoners of war still in Jap

hands, to feed and clothe and keep alive the destitute men and women and children of ravaged lands over the whole face of the earth—to help our own grieved and uprooted and troubled, right here at home. You can provide that help by giving to your local Community War Fund.

No matter what you give, it's vitally needed. We hope you'll give from the bottom of your heart and pocketbook. More than ever before, every dollar counts. So dig deep, won't you? And dig now.
