

### Pomona Grange Enjoys Treat of Dextrose Candy

Morrow county Pomona met as guests of Greenfield grange at Boardman Saturday, Oct. 7.

Two guest speakers were Ronald C. Smith, deputy of Washington state grange, and Miss Grace Gaden, home demonstration agent for Morrow county.

Miss Gaden spoke on topics of interest particularly to the home economics department and announced dates for near future demonstrations and conferences.

Smith has specialized in chemistry and is especially interested in the development of glucose from wheat grown in the northwest. Following his discussion the audience was delighted when delicious glucose candy was passed for their enjoyment.

The next Pomona meeting will be held in the Lexington hall with that grange as host. An officer from the state grange will be invited to install the officers and an invitation is being extended the subordinate granges to bring their officers to Lexington and join in the installation ceremonies.

Mrs. A. E. McFarland expressed regret at leaving the county soon. Mrs. McFarland has served Morrow county as master for ten years and will be greatly missed.

# Don't turn your back on us now!

"I'M THE KID from next door who's keeping watch over Germany. I'm a long way from home. I get kind of low sometimes. But I'd get a lot lower if it weren't for the U.S.O. Camp Shows."

Don't turn your back on me.

"I'm the widow down the street with two service stars in my window. Besides worrying about my boys overseas, I've somehow got to give my other children the decent, healthy life they deserve. It would be pretty tough if it weren't for my home-town relief agency."

Don't turn your back on me.

"I'm a merchant seaman. I've hit some tough ports in my time, but nothing like the ratholes I've seen in the last few years. But just making a port is okay when there's something there to remind me of home. Something like the United Seamen's Service."

Don't turn your back on me.

"They call me a 'displaced person.' I guess that's American for someone whose home is rubble, and whose family has been worked to a tortured death in a Nazi sweatshop. I hope Allied Relief gets around to me."

Don't turn your back on me.

The dollars you give to your Community War Fund help all of these, and more. Your support of the War Fund sends Camp Shows to those overseas; lifeblood supplies to war prisoners; relief and comfort to stricken civilians here and abroad.

Somewhere — from the depths of spirit and pocketbook — Americans have met every appeal made so far in this war. We can't stop now. We can't turn our backs on human suffering.

Give generously. There was never a greater cause.
