

**CATCHES TWO SALMON**

M. L. Case caught up with his while on a fishing trip with his son fishing in a big way last week Allen. The local furniture dealer landed two big salmon on the Nehalem river, one of which was eaten on the trip. Allen is kipping the other for his father. Mr. Case returned to Heppner Tuesday morning accompanied by another son, Harold, and they have gone to the John Day section in quest of deer. If M. L. kills a buck his cup will be running over, and we don't mean perhaps.

**NORMAN GRIFFIN RETURNS**

Norman Griffin called his father, Phil Griffin, Tuesday afternoon to let him know that the former prisoner of war is once more on home soil. Norman is at San Francisco and stated that he will be coming home soon.

P. H. Cosner of Irrigon was in the county seat today paying up his taxes for the year. Mr. Cosner is a comparative newcomer in the county having come from La Grande last April. He made a friendly call at the Gazette Times office and saw to it that he will receive the great family journal hereafter because he said he felt the only way to become acquainted with his new environs was to read the county paper regularly (and of course we agree with him.)

Mr. and Mrs. Alva Jones and son Bob, and Mrs. David Wilson are in Portland this week. They

went down Wednesday afternoon and while gone expect to take in the Oregon State-Washington football game in Portland Friday afternoon.

Mr. and Mrs. Leonard Schwarz and son Len Ray are in the mountains this week in search of the elusive deer.

Mr. and Mrs. Harold Knox of Portland are visiting in Heppner this week while doing some hunting. Mrs. Knox is a niece of Mrs. Sara McNamer.

J. M. Ezell, auditor for the State Industrial accident commission will be at Hotel Heppner for three weeks. Farmers and others concerned can contact him there.

Mrs. John Hiatt, Mrs. Oscar Rippee and son, and SK3c Hubert Gaily were in Pendleton on Wednesday attending to business matters. Mr. Gaily will return to his base in San Francisco on Monday.

Clarence Hayes is due to arrive home today with an honorable discharge from the U. S. Marines.

Harlan McCurdy, Jr. telephoned his wife and family from Boston the past week. Harlan has been in Germany with the army of occupation until just recently. He expects to be in Heppner very soon.

L. Stewart, father of Mrs. A. V. Wright, was operated on in Pendleton the first of the week. He will have to remain in the hospital for another week at least, but his condition is satisfactory at the present writing.
