## Lexington Items . . .

By MRS. MARY EDWARDS

The annual reception for the teachers was held Friday night at the school auditorium. An all musical program was given under the direction of Mrs. Cecil Jones. This consisted of group singing by the audience and solos by Pete Edwards and Franklin Messenger and a duet by Colleen Wallace and Rena June Messenger. Mrs. C. C. Carmichael was accompanist. Refreshments of pie and coffee were served after the program.

Misses Louise Huft and Estelle Ledbetter spent the week-end visiting at their homes here. Both are attending school in Salem.

Miss Frieda Breeding of Pendleton is spending a few days with her folks while her mother is ill.

George Irvin left Monday for Pendleton from where he will go to Portland to take his examination for the navy.

Mr. and Mrs. Gene Majeske are the parents of an 8½ pound son born Saturday Nov. 10 in Pendleton. Mrs. Majeske makes her home in Lexington while her husband is with the army of occupation in Germany.

Mr. and Mrs. Dan Way have returned from a visit with relatives in Idaho. They received word that their son Joe has landed in San Francisco after 25 months overseas.

Roger Campbell left Thursday night for San Diego to report back to his ship, the USS Kidd.

Mrs. Florence McMillan and Mrs. Cecil Jones entertained a group of friends at a pinocle party at their home Saturday evening.

Mrs. George Allyn had a birthday dinner Friday evening for her son Lyle. This was the first birthday Lyle had been able to enjoy in four years as he only recently returned from four years overseas duty in Europe.

## WEEK-ENDED HERE

Miss Marylou Ferguson took advantage of the Armistice holiday to pay her parents, Mr. and Mrs. R. B. Ferguson, a visit. She was accompanied by one of her roommates, Miss Dorothy Herritt of Salt Lake City, who, like Marylou, is a freshman at Whitman college.

## RESOLUTION OF CONDOLENCES

Whereas, it has pleased Almighty God, the Father of all men, and Masons, to call from our lodge our beloved brother, Charles Burton

Cox, who for many years was a respected and prominent citizen of Heppner and a worthy Brother and member of Heppner Lodge No. 69, A. F. & A. M.,

Be it resolved that while we bow in reverence to the will of Him who doeth all things well, yet, we do not the less feel and deplore his loss.

To the relatives of Brother Cox,

we his fellow craftsmen and brothers extend our deepest sympathy in their hour of grief.

Be it further resolved that a copy be sent to the family of our deceased brother and a copy be furnished the local newspaper for publication.

From where I sit ... by Joe Marsh

## Only one side to our railroad tracks

Folks who are better off in our town live on the west side of the railroad tracks. We've got a lake there, and the local park, and some real nice land.

There used to be a phrase "from the wrong side of the tracks." It meant what you think ... but you don't hear it any more. Not since Charlie Jenkins came home with the Purple Heart, and Willie Wells got the Silver Star. There isn't any "wrong side" of the railroad tracks now!

And that change is going on all over America ... where our

heroes have come from obscure homes ... and greatness has overshadowed wealth and shallow social definitions.

From where I sit, it all comes down to tolerance ... tolerance for what a man is and does ... tolerance for his freedom and opinions, whether he's rich or poor, likes beer or cider, Shakespeare or the comic section. It's a great thing—tolerance!

## Long Distance calls are still at an all-time high on the Pacific Coast

But we're working night and day to bring service back to normal

Here on the Pacific Coast, Long Distance telephone calls are still at the same high level they reached just before Japan surrendered. That is why ... even though we are already making headway in bringing service back to prewar standards ... there may still be a delay before we can complete your Long Distance call, or the operator may ask you to limit it to five minutes. We want you to know, however, that we're doing everything possible to hurry the day when we'll again be able to handle promptly any Long Distance call you want to make ... anywhere.
