HEARS FROM FINLAND

Gus Nikander is in receipt of a most interesting letter from a cousin, Paavo Nikander, of Helsinki, Finland, this week. It was the first word of any kind Gus has had in five years and naturally supposed his kinfolk had been killed during the war. Paavo is a teacher in Helsinki and has a pretty fair command of English and it was in English that he wrote to Gus. Since Finland is unable to pay for imports Paavo was asking for tea, coffee and cocoa. Also shirts, collar size 42 centimeters, and European size shoes 45 great. After much work with an arithmetic book the Nikanders were finally able to figure out the collar size but the shoes are still being studied.

Regis McDermott of Havre, Mont. was a house guest the past week of Mr. and Mrs. Conley Lanham. Conley and Bill Lanham took Mr. McDermott to Seattle Monday.

Mrs. J. G. Cowin and Mrs. Jack Carter and Jimmie were Pendleton visitors Wednesday. They were accompanied home by Mrs. Ruth McNeill and Bob Najarian who stayed for Thanksgiving dinner at the Cowin home.

Do you know what's missing from this picture?

If you're waiting for a telephone, what *isn't* in this picture may be far more important than what you see.

For although we are now getting and installing thousands of new telephone instruments, even more orders for service are being held up (and this may be the case with you) by a shortage of other facilities that take longer to build.

In many places, for example, we will have to build complicated new switchboards before we can provide telephone service . . . in others, we will even have to put up new buildings to house those switchboards.

But we are working full speed ahead, and no matter what the conditions are that are holding up your telephone, you can be certain we are doing everything we can to get to your name on the waiting list just as swiftly as possible

We Are Truly Thankful This Thanksgiving Day

Say "Thanksgiving" to any man, woman or child in the U.S.A. and they'll think of turkey, cranberries and other little solid, satisfying things. It's been that way for more years than any of us can remember . . . But every dear, delightful moment of the old American ritual will be terribly precious to us this year because there is not one of us who will not remember that it might not have been. That had it not been for the Grace of Almighty God and the sacrifices of free men it would not have been.

Beneath the jollity of this Thanksgiving there swells a hymn of gratitude. Thankful to Him who has watched over us, let us resolve to carry on the great task in Peace for which our bravest gave their lives in War. Let us resolve to follow in their footsteps, lighted and guided by their stars.
