FOUNDERS DAY FETED BY LOCAL P-TA GROUP

A large crowd was present to observe Founder's day of the P-TA when the February meeting of the Heppner unit was held Wednesday evening, Feb. 13. Members of the Ione P-TA were also present.

The boys chorus was presented by Miss Rose Hoosier in a group of three numbers, "On the Wall", "I Couldn't Hear Nobody Pray", a negro spiritual, and "I Like the Fall." They pleased everyone so well they were urged to respond to an encore and sang "The Night Will Never Stay."

A group of mothers and children presented a little skit on Founder's Day and lighted the candles on the birthday cake in commemoration of 86 years of PTA.

President Becket then introduced Dr. John M. Miller of Eastern Oregon College of Education, who spoke on "Trends and Problems in Education." In his talk he pointed out that there would be a greater increase in college training and he thought the tendency will be to finance worthy students for higher education by government aid.

Because of the failure to find employment more and more students will continue with their education along scientific training.

After the meeting was adjourned refreshments were served in the lunch room by a committee composed of Mrs. Edgar Albert, Mrs. Ted Pierson and Miss Marguerite Glavey.

An exhibit of some of the work done in social studies from all the grades was on display.

The fourth grade won the half holiday for most parents present.

Grangers Grow Social Crops that benefit all Oregonians

BETTER ROADS

SMOOTH OPEN ROADS from farm to market had their beginning in Grange-sponsored legislation. Today countless farm trucks speed their produce over hard-surfaced or well-gravelled Oregon roads.

The movement for better rural roads as a part of the Grange program is as old as the organization. It will continue to be a basic Grange policy as long as the need exists in any part of the State.

Projects of this nature are as vital a part of Grange activities as better agriculture itself. That is why 28,000 progressive farmers belong to the Oregon State Grange—why membership continues to grow—why the Grange is a dominant force for social progress.

Information about the purpose and accomplishments of the Oregon State Grange is contained in a booklet "Let's Look at the Record". Contact your local Grange for copy, or write direct.
