Cooperation Appreciated

It would be unfair to those who contribute to the Gazette Times from week to week to overlook a word of thanks for their splendid cooperation in our issue of February 7. Both advertisers and correspondents were most helpful and this made it possible for the publishers and family to carry out their announced schedule. The old saying, "If you would dance you must pay the fiddler," is applicable to the G-T family for in order to get away it was necessary to work all night Wednesday then travel most of Thursday to get to Eugene, including elapsed time for numerous stops along the way. And there was the knowledge that upon returning home we would find a stack of unfinished work.

All hope of acquiring shop help, immediately at least, vanished while attending the conference at Eugene. Printers are no more plentiful than coat and hat hangers in Heppner eating houses, so you know about what chance there is to obtain one. Such help will have to be developed locally and this subject will be treated in a separate article. In the meantime, the present force will keep the proverbial chin up and do its best to maintain the news and printing service on a high level.

An Opening for Ambitious Youth

Some young fellow who is smart enough to see that the big wage honeymoon is about over, or at least that it will not continue indefinitely, has

an opportunity to safeguard his future by learning the printing trade. This opportunity is open first to returned service men with GI privileges but lacking response from that quarter will be open to some other chap.

Since journeymen printers are not available, particularly in the smaller shops it is left to the publishers to develop their help. The GI bill of rights makes it possible for the industry to do that. Newspaper plants and printing offices, by being certified as suitable training facilities, are permitted to train one or more returned service men as newspaper people or printers. Compensation is far better than that received by apprentice printers not coming under the GI bill. The employer is required to match the compensation paid by the government. This would give a married man \$180 per month and a single man \$120 per month.

The Gazette Times is permitted one GI trainee. This newspaper has been certified and Heppner is under the Pendleton apprenticeship committee, since the town has too few industries to call for a local committee. Any aspiring youth wishing to take advantage of his GI support is urged to come in and talk it over.

In lieu of a GI accepting the offer, it is the intention of the Gazette Times to urge a high school youth to take an apprenticeship. One credit will be given for a certain number of hours each week. A boy with a mechanical turn of mind will find the work most interesting and aside from the credit on his high school work will be remunerated on an hour basis.

LEGION GIVES SILVER TEA AT HOME OF MRS. CYRENE BARRATT

Mrs. Cyrene Barratt was hostess for a silver tea given by the American Legion auxiliary Tuesday afternoon. Funds accruing from the affair will be used by the group to provide traveling expenses for two girls attending Girls' State, a summer project of the legion in Oregon. Many ladies called during the afternoon.

Pouring were Mrs. C. P. Brown, Mrs. O. E. Ferguson, Mrs. Harry Tamblin, Mrs. E. L. Cox and Mrs. D. E. Hudson. Assisting about the rooms were Mrs. R. B. Ferguson, Mrs. D. A. Wilson, Mrs. H. E. Miller, Mrs. A. W. Jones, Mrs. Venice Stiles, Mrs. Louise King, Mrs. Fidelis Unrein and Mrs. Richard Wells.

Next regular meeting of the auxiliary will be Feb. 19 at the home of Mrs. E. O. Ferguson. The program starting at 8 o'clock, will be on national defense and Americanism. Nose bag refreshments (meaning bring your own). No assisting hostesses.

Mrs. Gordon Banker acted as chauffeur for Mrs. Arnold Ebert and Mrs. J. J. O'Connor Tuesday afternoon when the three ladies went to Pendleton.

Mrs. Anna Q. Thomson drove to Milton one day last week taking Ellis Thomson there to visit friends before proceeding to Walla Walla and Portland on his return to New York. Mrs. Thomson was a guest of Mrs. Percy Hughes while in Milton and returned to Heppner Friday.

J. A. Troedson and S. M. Morgan were in Arlington Saturday to attend the funeral of Leon Logan. Another recent dischargee has arrived home in the person of Arthur Vance, son of Mrs. E. V. Stingle.

KINZUA TO RESUME OPERATIONS ABOUT MARCH 1

The following statement was issued from Kinzua by J. F. Coleman, vice president and general manager of Kinzua Pine Mills company.

Following the settlement that was reached between the local sawmill and lumber workers unions 2916 and 3098 and the Kinzua Pine Mills company representing the operations at Kinzua and Wetmore respectively, plans are now being made to commence operations as soon as preparations can be made to start, and it is estimated that operations will be resumed in the plant shortly after March 1 and not later than March 15, depending upon the progress that is made, and weather conditions.

The plant has been down since the employees went on strike the morning of September 24, and it is the first time in the history of the company which began operations in 1928, that the plant has been down for any reason except for repairs or vacations not exceeding over two weeks at a time.
