They expect to be gone 10 days. In their absence Mr. Hanan's mother is in charge of the local plant, coming from her home at Bremerton for that purpose.

MONGOLIANS RELEASED
An allotment of 400 Mongolian pheasants was released in Morrow county Saturday by the state game commission. The birds came from the game farm at Hermiston and were released to Heppner by Knox Alexander.

Lexington Items . . .

By Mrs. MARY EDWARDS
Joe Way arrived home Thursday from Bremerton where he recently received his discharge from the navy.

Lyle Allyn drove to Portland last Friday. He was accompanied by his mother, Mrs. George Allyn, who visited her niece, Mrs. Chilson at Latourell Falls, over the week-end. Kenneth and Marcella Jackson left Sunday to return to their school at Eugene.

Mr. and Mrs. Charles Buchanan and family drove to Portland Sunday where they tried their hand at smelt fishing. They came home with a few but report that there were so many people fishing that it was hard to get many.

Mr. and Mrs. Vernon Warner and family of Portland were week-end visitors at the H. E. Warner home. They were accompanied to Portland by Mrs. Warner and Mrs. Carrie McMillan who has been visiting at the Warner home.

Lester Billingsley, who has been making his home with the Ed Grant family, left Monday for California.

VISITING MOTHER

Lawrence Beach was a Heppner visitor Tuesday, coming up from Lexington where he is spending a few weeks with his mother, Mrs. Elsie Beach. Lawrence arrived Saturday from Springvale, Utah where he has been located for several years.

HOME FOR GOOD

Cpl. Dick Wilkinson has returned home to stay, having received his discharge March 29. Dick spent six months in overseas service, being stationed at Honolulu. He has gone to work at the Wilkinson ranch, relieving the help situation which has been a real worry the past two or three years.

AUXILIARY MEETING

Mrs. Richard Wells will be hostess to the American Legion auxiliary at her home Tuesday evening, April 9. The meeting opens at 8.

Forest and Range ..

The final measurement at North Jones Snow Course was made last week by Ranger Jorgensen and Assistant Ranger Parsons. The average snow depth was 41.2 inches and the average water content of the snow was 15.5 inches. The average for the past dozen years for the March measurement of this course is 26.4 inches of snow and 9.5 inches of water content. All indications point to an exceptionally good water supply from the mountains this year. (Note: Does this make the fishing better?)

Ninety-five deer were counted in Johnson creek just below the edge of the timber. All the deer were seen in an area of about two square miles. Charles Waldron from Pendleton and Ellis Carson counter-river on their trip last week. They ed 250 deer north of the John Day also found ten dead deer that died of starvation. There isn't enough winter feed for the deer population in that area.

Something new in looking over timber and logging chances. Orville Smith flew with Jack Forsythe over some timber land south of Heppner in which he is interested. Coming back Jack had to fly around by Pilot Rick to circle a storm cloud which was hanging over Heppner.

Bert Bleakman has returned to work for the forest service and is getting fire tools ready for the coming fire season.

SPENDS DAY HERE

Frank Beaudoin, old time resident of Wallowa county, was a Heppner visitor Monday. He accompanied his son-in-law, Robert Forsythe, here from Goldendale Monday morning and planned to go from here to the Tony Vey ranch to visit a brother. Mr. Beaudoin's father, the late Peter Beaudoin of Joseph was at one time called the sheep king of Oregon.

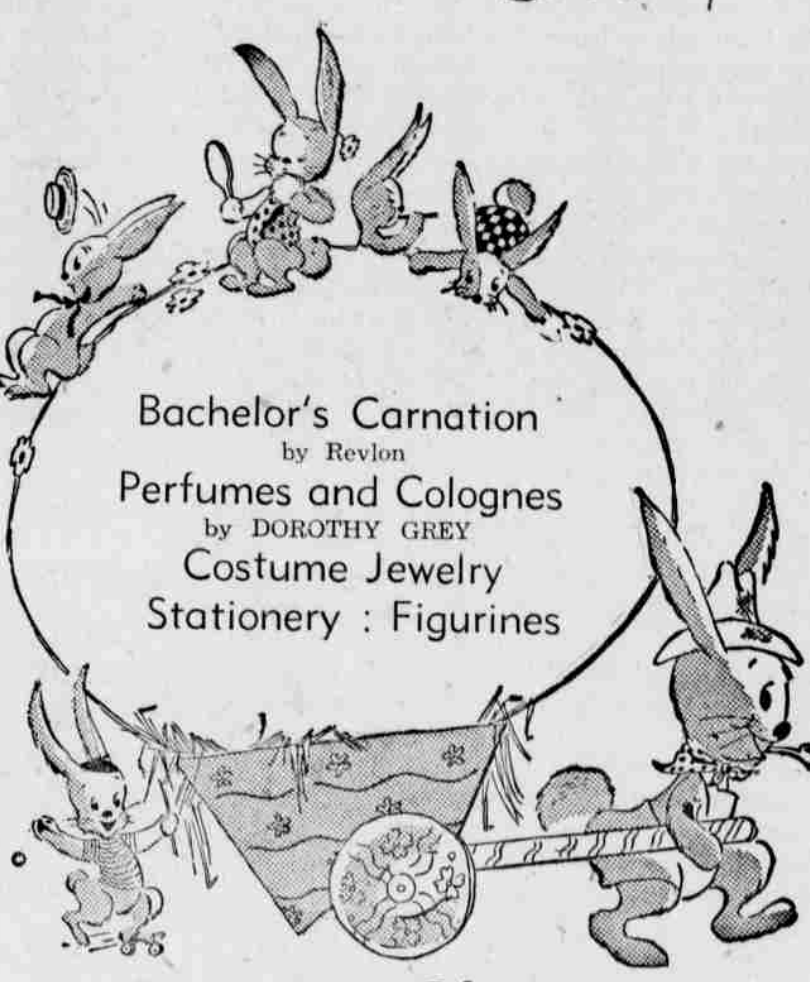

HOME ON LEAVE

Paul Phelan is home on 30-day leave which he is spending with his parents, Mr. and Mrs. D. P. Phelan. Paul expects to complete a six-year hitch in the navy in June.
