Howdy Folks: You know the awkward age of a kid is when he's too old to cry and too young to swear.

And someone has said that that a baby is an alimentary canal with a loud voice on one end and no sense of responsibility on the other.

NOTE TO PARENTS

There's no truth to the rumor that your son will turn out to be a car-penter if you send him to a boarding school.

ONE OF OUR FRIENDS HAS A NEW BABY THAT HE CALLS THE "PRICE OF WAILS."

He admits he's proud of the little rascal, but as he says, there were a lot of other things he needed worse.

WHEN YOU NEED BATTERIES WE'D LIKE TO SELL YOU OUR WILLARD AUTOLITE, or GOODYEAR

From where I sit... by Joe Marsh

Sam and Lud, War and Peace

Like everybody else, folks in our town talk about the best way of preserving peace. Some believe one thing, some another. But when it comes to Lud Denny and Sam Hackney—each has a self-invented Plan.

Talking things over at Bill Webster's, Sam and Lud got so worked up arguing against each other's Plan, they almost came to blows. Now each one thinks the other is a public enemy—for not agreeing with his Plan!

Seems to me there's the problem in a nutshell! No plan in the world can lead to peace—'til folks respect each other's views; allow for differences of taste; and learn to live with opposite opinions.

From where I sit, real peace begins with people—neighbor living tolerantly beside neighbor—regardless of who votes how, or who drinks beer or cider, or who wears city clothes or overalls. Peace starts with Tolerance!
