FATHER BRADY TO CONDUCT HOLY WEEK SERVICES

Due to the fact that Father Francis McCormack will have to attend Holy Week ceremonies at St. Francis' cathedral in Baker, Father Thomas P. Brady will take his place here in Heppner.

Father Brady is a widely known missionary priest and a former pastor of St. Patrick's parish. As a missionary priest, he labored all through eastern Oregon in the early days. His first introduction to Heppner was from a chapel car at the Union Pacific depot, which he used in his missionary labors. Now that Father Time has somewhat slowed down an active and energetic missionary he is taking time out to write a few books. Henceforth his activity will be mainly in the literary field. He will conduct services in St. Patrick's church during Holy Week.

Father McCormack will return Easter Saturday.

Grangers Grow Social Crops
that benefit
all Oregonians

YOU OWN A RIVER...

THE GRANGE in Oregon long has been the foremost exponent of the principle that the mighty Columbia river and its tributaries belong to the people—all the people—and should be developed for their benefit.

The hydro-electric energy of these streams is our greatest Northwest resource and should be made available to all. Through its sponsorship of People's Utility Districts, rural electrification cooperatives and municipal ownership of public utilities, the Grange is progressing toward its goal of bringing low-cost light and power to every Northwest home and industry.

Projects of this nature are as vital a part of Grange activities as better agriculture itself. That is why 28,000 progressive farmers belong to the Oregon State Grange—why membership continues to grow—why the Grange is a dominant force for social progress.

Information about the purpose and accomplishments of the Oregon State Grange is contained in a booklet "Let's Look at the Record". Contact your local Grange for copy, or write direct.
