FIDELIS UNREIN, Editor

Howdy Folks: Many inquiries have come in as to where the editor of this column gets his literary ability. So as to settle that question for all time, the editor wishes to state that he comes from a literary family. His sister writes shorthand, his brother writes insurance, and his wife writes checks.

We are like the guy who just itched to write and has been scratching for a living ever since.

We did get a dollar a word once. We talked back to the judge.

From that experience we learned that the day of the court jester is passed.

Someone suggested that we should get a nom de plume. You know what that is. It's an author's write name.

THERE'S ONE RIGHT PRODUCT TO GET WHEN IT'S A MATTER OF BATTERIES and THAT'S OUR AUTO-LIFE, GOODYEAR, AND WILLARD

We get enthused about it, but so do our customers.
