a program the evening of April 26 consisting of stunts, skits, plays and music to be given by the different organizations. The proceeds will go towards financing school lunches.

A state highway crew are stationed here and will resurface the highway from near Morgan to Lexington.

Mr. and Mrs. Paul Pettyjohn and children spent Sunday in Walla Walla.

Word has been received of the recent marriage of Corporal Freda Ball of the Marine corps stationed in Washington D. C., daughter of Elmer Ball and Edward B. Bates, son of Mr. and Mrs. Frank W. Bates of Modesto, Calif. They were married in the First Methodist church in Modesto with Rev. Dillon Throckmorton officiating. The bride wore a white satin dress with net overskirt. A lace bordered veil fell from a Renaissance cap. She carried a white orchid on a white prayer book. A reception was held at the Bates, home. The couple met while both were stationed in Washington D. C.

The bride attended the Ione schools and was employed by the telephone company in Portland. She returned to Washington to await discharge. Mr. Bates has received his discharge and is employed in the Lathrop army service force depot. They will reside later in Modesto.

Mr. and Mrs. Robert Walker left for Portland and California points the past week-end. In Portland Mr. Walker expected to take his state barber board examination and then they planned to drive on as far south as Sacramento where they will visit relatives for a while.

John D. Watkins went to Portland Sunday for a few days to transact business.

GAS AND AIR

FIDELIS UNREIN, Editor

Howdy Folks: We heard about a dog catcher who had a wooden leg. At first, it was hard to imagine how a dog catcher with a wooden leg could catch many dogs.

We mentioned it to one of the boys in the barber shop and he suggested the dog catcher just stood on the corner and waited for the dogs to come to him.

BULL-TIN

When you buy a dog, be sure to get one that doesn't cost much for bargain dogs never bite, you know.

YOU KNOW THE TRAGEDY OF A MAMA FLEA'S LIFE IS THAT SHE KNOWS ALL HER CHILDREN WILL GO TO THE DOGS.

As one headache said to another headache, we better take a powder. Especially after that last one.

We would like to take a minute to tell you about this especially good buy. Its our

Mat Fisher versus
Ed's Big Toe

Mat Fisher's our local weather man... and planning for the picnic of our town Improvement Club, Mat persuades us to postpone it until Tuesday—since it's going to rain for three days, starting Saturday the 8th.

But Ed Whortle claims he can feel rain in his big toe—and he says there isn't a drop in prospect for at least three days!

Well, it's bright and sunny on the 8th—and 9th—and 10th. So come the day of the picnic, it's

rain like Jupiter Pluvius—and we hold it in Ma Hoskins' parlor, drinking beer and roasting hot dogs.

Of course, Ed razzes Mat no end. But nobody's sore. In fact, they like Mat just a little better, being an expert and being wrong. (And from where I sit, a stormy day indoors before a fire makes a hot dog and a glass of beer extra appetizing!)
