OSC BAND NOW 53 YEARS OLD OREGON STATE COLLEGE—

The college band is completing 53 years of activity on this campus, 40 of which were under the leadership of Harry L. "Cap" Beard, now retired from that position but still on the mathematics staff. Last fall this band, which had appeared at four world fairs and made scores of tours came under the leadership of Delbert Moore, a member of the music department staff and for many years leader of the Co-ed band.

HERE FOR FUNERAL

Among those coming to Heppner Thursday for the funeral of Mrs. Ellen Bennett were Mr. and Mrs. Ellis Irwin of Portland, Norma Scrivner of The Dalles, and Frank Bennett, Scott Neel, Herb rock.
 Hayes and Joe Hayes from Lone-

4-H HEALTH CONTEST

A free medical and dental examination will be given to all the 4-H health club members, May 14, in Heppner. The healthiest boy and the healthiest girl will be chosen from among those participating in this contest and will be announced at the annual 4-H fair and achievement day, June 1.
 This examination for health club members will again be an annual event. If a winner is 12 years old or older he will be eligible to represent Morrow county in the state health contest, according to Miss Grace Gadeken.

TWO YOUTHS SELECTED

Of five Morrow county boys reporting at Fort Lewis for examination, only two have so far been accepted for service in the army. Pat Doherty of Ione and Bill Snow of Heppner passed the tests, while Joe Hughes and Gordon O'Brien of Heppner were rejected because of physical defects. Leon McClintock had not taken the examinations before Friday and was granted a 10-day furlough because of the death of his father. Joe Hughes has re-

sumed his studies at Oregon State college.

Melvin Moyer submitted to a major operation at St. Anthony's hospital in Pendleton Saturday morning.

There Is a Serious Milk Bottle Shortage

Patrons are asked to cooperate by putting bottles out regularly. The shortage is acute and new bottles are not obtainable at this time. You will facilitate regular delivery by returning bottles promptly.

ALFALFA LAWN DAIRY

IT COSTS *More* TO BUILD AND OPERATE A POWER SYSTEM, TOO!

● Everything costs more these days, including the many items needed to construct and run an electric system. For example, the price of a standard cedar pole has doubled since 1940... our taxes have increased 70%... average wage rates are up 44%.

...yet PP&L has cut average electric prices 30% in the last 6 years!

It seems too good to be true. But just look at the record: Today PP&L's average rate for residential electric service is nearly one-third less than what it was in 1940!

How has this been accomplished in the face of sharply rising costs? The answer is hard work... efficient management... 36 years of electrical "know how"!

...now more than ever
 It takes experienced business management to keep cutting your electric rates.
