WE SAY THANK YOU

The management of the Star Theater is very proud and happy to have made an outstanding record in its collections in the recent Red Cross drive. However, we must give credit where it is due: To J. J. O'Connor, county drive chairman for his cooperation, to the liberality of our ever-generous patrons, and to the members of the Heppner Cub Scouts who made the actual collections for us and without whose enthusiasm and industry we would not have placed first in collections among the theaters of Oregon. To all, our thanks.
