FOOD PRICES
up **43%**
SINCE 1939!

IT COSTS *More* TO BUILD AND OPERATE A POWER SYSTEM, TOO!

● AVERAGE FOOD COSTS HAVE GONE SKY HIGH . . . and so has the cost of constructing and operating an electric system! Standard cedar poles have doubled in price since 1940. PP&L's taxes have increased 70% . . . average wage rates are up 44%.

⚡ **...yet PP&L has cut average electric prices 30% in the last 6 years!**

Yes, that's right! PP&L's average price for residential electric service has been cut almost one-third.

...now more than ever
 It takes experienced business management to keep cutting your electric rates.

This cutting of rates when other costs are rising has been accomplished by efficient management and skilled workers . . . backed by 36 years of successful electrical "know how."
