

## GAS AND AIR

FIDELIS UNREIN, Editor

Howdy Folks; This sure is good golf weather. The boys and girls are out making the rounds for sure. (Golf course rounds, that is.)

Golf, that's the game that turned the cows out of the pasture and let the bull in.

The only time you can be sure a man plays a fair game is to watch him play.

Daffy-nation  
Golf Course—The best place for a woman to find a husband.

The difference between learning to drive a car and learning to play golf is that when you learn to play golf you don't hit anything.

It's always swear weather when good golfers get together.

A nudist should be a good golfer because he could go around the whole course in nothing.

Nothing tried, nothing gained. Why don't you try our motor tune-up and gain a lot of satisfaction?
