

Mrs. Earl Balch was a week-end guest at the home of Mr. and Mrs. Clifford Carlson in Iona. Mrs. Balch came from her home in Cottage Grove to visit with her daughter and also to see her first rodeo. Although she thinks the Willamette valley is beautiful, she marveled at the eastern Oregon wheat fields, hills and distant mountain peaks.

Week-end guests of Mrs. Sara

McNamer were her brother and wife, Mr. and Mrs. Dick Rodgers of Tulsa, Okla. and her sister, Mrs. Nora Summers of Spokane.

Gas & Air

Howdy Folks: One of the boys in the barber shop said he had half a mind to get married. Well, a half a mind is about all a man has when he gets married.

Another boy said his girl was pestering him to death for a set of diamond earrings, but if she wasn't careful, she'd get a paste in the ear.

She probably was the same girl who said she just loved men with blue eyes and green backs.

OF COURSE, MANY A MAN SEES A WOLF AT THE DOOR BECAUSE HIS WIFE SAW A FOX IN A WINDOW.

Sometimes a marriage changes an ideal into an ordeal.

OUR CUSTOMERS NEVER CHANGE THEIR MINDS ABOUT OUR SERVICE, THOUGH.

That's why we sell it. It helps us to make friends as well as customers.

And here is poor Ambrose Terwilliger Zob. Who wasted all Sunday on a half-hour job.

Bring your Ford Back Home for small jobs, too

Quicker Service
More mechanics, and a good supply of Genuine Ford parts means less delay on all repairs. Leaky radiators, worn hose, flabby fan belts, ignition wires rubbed thin, fouled and dirty spark plugs... are typical of the "postponed" jobs we fix promptly.

Car Noisy?
Squeaks and rattles... whines and groans... They'll drive you crazy. Amazing what a little grease, oil and tightening will do. And a wash and polish will complete the treatment... make you proud of Old Faithful again.

Little Things Count
Got a "sticky" door lock or a balky window lift? We can free it in a jiffy. Door latches temperamental? That's a nuisance and accident hazard easily fixed. Is your cigarette lighter working?... windshield wiper?... speedometer? Let us make them really right.

There's no place like HOME for Ford Service
... your Ford dealer knows your Ford best!

\$ and SENSE PROPOSITION

Crop Insurance is a dollars and common sense proposition. It can't make dollars for you, but it CAN save them... And that adds up to a lot of good sense!

Take out all-risk Federal Crop Insurance on your 1947 crop to save yourself money when drought and flood, hail, insects, or any other natural crop killer strikes your farm.

Here's how it works—

- ... You pay only non-profit rates. Uncle Sam pays the "overhead".
- ... Every penny you pay in premiums is paid out for crop losses.
- ... Your premium payments are based on the amount of protection you want.

INSURE YOUR CROP NOW! MORROW COUNTY'S 1947 INSURABLE YIELDS ARE HIGHER...THE RATES LOWER!
