Howdy Folks: The way the stock market is fluctuating, we are reminded of the old bucket shop days of '29 when we all held the bucket.

People who play the stock market are usually known either as bulls or bears. Wonder why the ass never figured in there?

MANY WHO PLAY THE STOCK MARKET FIND THAT WALL STREET IS A ONE-WAY STREET

THOUGHT FOR TODAY
See your stock broker and then call your pawnbroker.
Bulls and bears aren't responsible for as many stock losses as bum steers.
A lot of good buys in Wall street turn out to be forewells.

Wall Street stockbrokers should make good farmers. They know how to water stocks and shear the sheep, the sheep.

Well, we're only an observer as far as the stock market is concerned but we're mighty active when it comes to supplying you with our **AUTO-ELECTRIC SERVICE**.

Give us a call the next time you need some.
