

**Biddle-Hoskins Rites
Feature Week at Lone**

In a setting of autumn flowers and candlelight, Miss Zelma Darlene Biddle, daughter of Mr. and Mrs. Vernon Brown, became the bride of Robert M. Hoskins, son of Mr. and Mrs. Fred Hoskins, Sr., at a ceremony at the Lone Co-operative church at Lone the evening of October 19. Rev. Alfred Shirley officiated.

Wm. Biddle gave his sister in marriage. The bride wore a white nylon net gown with a finger tip veil and carried American Beauty roses. Mrs. Robert DeSpain of Pendleton was matron of honor. She wore a powder blue nylon net with a short matching veil and carried pink gladioli. Miss Joyce Salter, cousin of the bride, and Miss Eunice Peterson were bridesmaids. They wore similar frocks of pink chiffon and carried pink gladioli. Miss Delight Biddle, sister of the bride, was flower girl. She wore blue taffeta and carried a white basket of autumn flowers. Fred Hoskins, Jr., was best man for his brother. The ushers were Ernest McCabe, Harold Snider, and Donald Peterson. The candlelighters were Miss Mary Jean Bristow and Miss Laurel Palmateer. They wore black and white frocks and pink gladioli corsages.

The bride's mother, Mrs. Brown, and the bridegroom's mother, Mrs. Hoskins, both wore gray with white carnation corsages. The choir sang "At Dawning" and "Oh, Promise Me" with Mrs. E. M. Baker at the piano. Charles Hoskins, uncle of the groom, sang "I Love You Truly," accompanied by Mrs. Wm. King, aunt of the bridegroom. Gene Rietmann played Lehigh's "Bridal Chorus." A reception was held at the Congregational church parlor afterwards. Mrs. Fred Hoskins, Sr., and Miss Laurel Palmateer poured. Mrs. Lester Shaffer served the wedding cake, and assisting were Mrs. Eta Bristow, Mrs. Henry Clark, Mrs. Howard Eubanks, Mrs. Omar Rietmann, Mrs. Victor Rietmann and Miss Elizabeth O'Brien. Miss Gwen Coleman had charge of the guest book.

Both Mr. and Mrs. Hoskins are graduates of the Lone high school. Mrs. Hoskins was queen of the Heppner Rodeo this year, and Mr. Hoskins served in the U. S. army. After a short honeymoon they will be at home at the Hoskins farm.

One high school football team will play Helix here Thursday, Oct. 24. Gene Inakeep, former superintendent here, is superintendent and coach at Helix.

Quite a number of Chinese pheasant hunters from different places spent the week end in Lone. Among the out-of-town guests at the Hoskins-Biddle wedding were Mr. and Mrs. Charles Carnes, Mr. and Mrs. Rose Cloud, Mr. and Mrs. James Hoskins, Mr. and Mrs. Charles Hoskins, Mr. and Mrs. Wm. King, all of Pendleton, Mr. and Mrs. Lester Shaffer of Mikkalo, Mr. and Mrs. P. Wilkins and daughters.

The farmers are enjoying the recent showers. Mr. and Mrs. Laxton McMurray of Salem sent flowers for decoration for the wedding.

The regular meeting of Willows grange was held Saturday night, October 19. The men furnished the supper which consisted of weiners, buns, angel food cake and coffee. Mr. and Mrs. Fred Anderson of Prosser, Wash., spent the week end at the Tom White home. Mr. Anderson is a brother of Mrs. White.

Enough Food is no Accident

It is no accident that the largest crops in our history are being harvested this year when we, and the rest of the world, need them most.

In spite of war, loss of labor and little new equipment, the American farmer has again taken care of us and provided a life-saving surplus for abroad.

How do our farmers do it? How is it that only sixteen per cent of our people can feed all of us and go on breaking records in the face of circumstances which slow up industry?

There are three reasons: First, farmers work harder and longer than most other Americans. Second, they know how to make the best use of tools. And, third, they have a long-standing partnership with industry seeking to satisfy their urge to get more out of the land for the same labor. *Farmers are still practicing the kind of enterprise that built America*

National thanks are due the farmer for the job he has done in the last five years. *Universal respect* is due him for his foresight in helping industry equip farms to meet a whole series of emergencies.

BUT... we should not crowd our luck, or the farmer's luck either. Too many farm tools are now worn out. Without new ones production may go down. Farmers need over *eight hundred million dollars' worth* of new implements and equipment. It is up to industry and labor to keep wheels turning to produce them, but any recurrence of strikes would prevent this.

America should see that the hard-working farmer gets what he needs.
