... and PP&L's low-cost electricity gives you more time to play!

You needn't be a slave to your kitchen-you needn't stay home to cook dinner - nor even stay home on wash-day, if you go all-electric and live the modern automatic way. Just push a few buttons, then get out and enjoy your favorite recreation. Come back when the family gathers for dinner-take the deliciously cooked food from the oven of your automatic electric range, and serve it! Going all-electric under PP&L's progressive "all-purpose" rate is such a satisfactory way of keeping house-helps you stay younger and gives you more hours every day to do the things you want to do.

The chart below shows how you can add more time-saving, work-saving appliances, use more and more electricity at smaller and smaller cost.
