Gas & Air
Howdy Folks: A friend of ours thinks that the old wheeze should be changed to read, "what the five cent cigar needs is a good country."
Of course there are good five cent cigars for sale now days—for more money.
If women ever take to smoking cigars if they have cigarettes, the men will be able to get even with them at Christmas.
According to a girl in our neighborhood, a well bred man is one who steps on his cigarette so it won't burn the rug.
Men who smoke cigars without bands are sure of a quiet smoke.
If you happen to get caught with matches and nothing to smoke, just make light of it.
Don't get short on quality. When you need oil buy our Valvoline Penn oil in sealed cans and be sure you're getting Penn oil and not a substitute.
