

French Reviews
The Legislature

ing to make the streets slick and the sidewalks wet. Incidentally, it is strange that mankind has been able to develop wonderful machinery, comforts of all kinds, the atomic bomb and yet cannot make a level sidewalk. All of them in Salem hold an inch of

water carefully in the center so legislators may be as wet on the feet as the average constituent considers them in other matters. Change to 54 committees in the house crowded many old timers from chairmanship just as the same action did in the United States senate. Committees are larger and fewer. There may be sub-committees, a poor practice, but there will likely be a little more speed. However, the success or failure of a legislature depends on the members—nothing else.

Fatland Busy Man
Committee appointments given legislators from this district were announced Monday morning by the presiding officers of the senate and house. Senator Fatland drew heavy assignments from Marshall Cornett, senate president, being chairman of the assessment and taxation committee and a member of the committee on alcoholic control, banking, education, roads and highways, and rules. These six committees are enough to keep the senator busy for the session. Over in the house Giles French is to be vice-chairman of the labor and industries committee and a member of state and federal relations, and elections and reapportionment.

Sharing in the general movement against eastern Oregon men to committee places, Henry Peterson was given the vice

Services Held For
Althea Leach Larkin

Funeral services were held in the Christian church Saturday morning for Althea Leach Larkin with Rev. E. T. Moreland in charge. Althea Leach was born in 1871 in Harrisburg, Oregon and passed away Jan. 8, 1947 at Pendleton where she had made her home for a number of years.

Mrs. Hugh Smith's
Mother, 84, Passes
at Hood River

Funeral services were held Tuesday afternoon for Mrs. Anna Elizabeth Lott, 84 years of age, of Stevenson, who passed away at the Hood River hospital, where she had been a patient for two weeks. Scores of friends of the deceased paid last respects at services conducted by Rev. J. Weston Reynolds, pastor of the Methodist church.

Mrs. Lott, who came to Stevenson in 1922, had resided here since. With her husband, Charles Lott she came to Oregon from Montana. The couple were married in Butler county, Nebraska, in 1878 and on their entry into the west, they located in Crook county, Oregon, in 1882 and later in Hood River county, from whence they moved to Stevenson, Mrs. Lott's birthplace was in Stevens county, Illinois, on October 9, 1862.

On their trip from Nebraska, Mrs. Lott was taken prisoner by the Crow Indians in Wyoming. They were traveling in a covered wagon.

To the union six children were born. Mr. Lott passed away in 1926. Those surviving are Mrs. Ida Smith, Heppner, Ore.; Arthur Lott, Crosswell, Ore.; Mrs. Myrtle Lott, Vancouver, Wash.; Irene Lott, Portland, Ore.; and Mrs. Mabel Kitchell, Bonneville, Ore. Twelve grandchildren and thirteen great grandchildren also mourn her death.

Interment was in L. O. O. F. cemetery at Stevenson. Gardners had charge. — The Skamania County Pioneer.

(Continued from First Page) rubbed into the hair by hand or stiff brush. When spray is used it should be a mixture of 7 1/2 pounds rotomone to 100 gallons of water, sprayed with a high pressure sprayer that will develop 400 pounds pressure. A sec-

ond treatment 30 days later is needed. Contact this office for further information or if you would like to have a demonstration in grub treatment at your farm or ranch.

BOARDMAN . . .
By Mrs. Claud Coats
HEC met at the home of Mrs. George Daniels Wednesday evening. A potluck dinner was served to the members and family at 7 p.m. Later the regular order of business was held and the serving chairman for both the garage and the HEC for the coming year were appointed.

The Yellow Jackets motored to Umatilla Friday and played their first league game with the Umatilla team, and were able to down the Umatilla boys by a score of 41-21. The B team also won but by a much smaller margin, 29-28.

The Boardman Zombies beat the Lexington team on the local floor Thursday night by a score of 31-20.

Mrs. Stolnow returned home Friday after a visit with her daughter and family in Bremerton, Wash.

The Clyde Tannehill and Russell Miller families enjoyed a delicious dinner at the Tannehill home Sunday. The event was the wedding anniversary of both couples, the former Jan. 16 and the latter, January 11.

Mr. and Mrs. William Nickerson received word of the birth of their first granddaughter, little Linda Lea. The little Miss made her appearance January 11. Her parents are Mr. and Mrs. Everett Westlund of Portland. She has two brothers, Mrs. Westlund is the daughter of Mr. and Mrs. Nickerson.

Mr. and Mrs. Z. J. Gillespie motored to Pendleton Monday. The home demonstration meeting will be held at the George Daniels home instead of the community church as advertised. Miss Monahan is the leader.

Taken from the Norfolk, Neb. Daily News—The marriage of Miss Mable Austin and Robert G. Smith was solemnized Sunday, Dec. 29, 1946 at 3 p.m. at the home of the bride's parents, the Rev. E. O. Louthan officiating at the double ring ceremony. The home was beautifully decorated white for the occasion and the background for the wedding was candelabra with blue and white candles.

Norma Jean Volk was the candle lighter. Mrs. Merle Horrocks sang "I Love You Truly" and "Because," with Dorothea Volk as accompanist. Mrs. Horrocks wore pink organdie and Miss Volk wore a blue net formal. Lynda Black, age 4 years, was the flower girl and ring bearer, the rings being concealed in the flowers. She carried the same basket used when the bride's parents were married.

The bride was attended by Hazel Hausmann of Norfolk as bridesmaid. Her gown was of blue net and she carried yellow mums. The bridegroom was attended by Wayne Austin, brother of the bride.

The bride is the only daughter of Mr. and Mrs. Kellie Austin of Meadow Grove. She designed and made her gown with brocaded satin bodice and full net skirt over satin. She carried an arm bouquet of pink roses. Her jewelry was a double strand of pearls and matching earrings, gifts of the bridegroom. Her 46 year old handkerchief was sent by an aunt.

Mrs. Smith was graduated from Meadow Grove and attended Wesleyan university. She taught school in and near Norfolk. Mr. Smith is a son of Mr. and Mrs. Paul M. Smith of Union, Oregon and formerly of Boardman. He graduated from Boardman high school and served two years in the army air corps.

A reception was held following the wedding. The bride's table was centered with a four-tiered cake trimmed in blue and white. The newlyweds are making their home at 2951 Marion St., Denver, Colo.

A sure-fire entertainment recipe — one part popular music, one part top-ranking talent, a love triangle and Technicolor.

4-H Health Club Meeting Reported
The Boardman school 4-H Health club, "The Healthy Helpers," held its third meeting Wednesday, Jan. 8. Robert Porter, club president, called the meeting to order and the regular business procedure followed. Members answered roll call with "memory gems." Two were absent.

The work, as talked over the project now, is to finish the health booklets and posters. Donald Green was reported as a new member of the club. Wilbur Platt was elected vice president to succeed the former vice president who retired from the office.

Walter Platt, reporter M. Montgomery, leader.

Sterling P. Haney Dies in Portland
Notice of the death of Sterling P. Haney was contained in the Portland papers on Tuesday, Jan. 8. Services were held from the Bruning & Lundberg chapel, 1521 S.W. Salmon St., Portland, on Jan. 9.

Mr. Haney was a brother of Mrs. Corn Burroughs of Ione and was a resident of Heppner many years ago, being known here as "Bud" Haney. He was the last of an old pioneer family of eastern Oregon.

Rototiller in Operation

The new Rototiller farm machine, produced by Graham-Paige Motors in the giant Willow Run plant, prepares soil for planting in a single operation, making unnecessary the three operations of plow, disk and harrow. The five-horsepower tillage unit, which churns and crumbles the soil to a depth of nine inches, has attachments which adapt it to a score of other farm tasks such as bulldozing, seeding, mowing, snowplowing and other operations.
