

Daily Streamliner Service Starts Feb. 15 on Union Pacific

Floyd Tolleson, local agent, has received official notification from President C. F. Ashby that daily streamliner service between Portland and Chicago will be inaugurated by Union Pacific railroad on February 15.

"Union Pacific," said Mr. Ashby, "was the first railroad to provide streamliner service to Portland and the Pacific northwest and now it will be the first to place this service on a daily basis."

The Streamliner, Mr. Ashby said, will leave Portland every day at 5:30 p.m. and reach Chicago the second day at 1:10 p.m. In ample time to make all important eastern train connections. Westbound the Stream-

liner will leave Chicago at 4 p.m. and arrive in Portland at 8 a.m. each the second morning.

"Striving constantly to serve the traveling public," said Mr. Ashby, "Union Pacific has consistently improved its streamliner sailings as well as keeping pace with equipment needs as fast as new and improved equipment became available."

"These streamliners will give to Portland the finest and fastest regular daily train service hitherto accomplished between Chicago and Portland, and without extra fare."

"Each streamliner between Portland and Chicago will offer sleeping car accommodations including drawing rooms, compartments, bedrooms, roomettes, and berths and will also have reserved seat accommodations in coaches of the most modern design with reclining seats and other facilities."

VETS' MAIL BAG

(As a service to veterans in the community, this newspaper will publish a weekly column of news briefs from the Veterans Administration. For further information, veterans should contact or write their nearest VA contact office at U. S. Nat'l Bank Bldg., Rooms 11 and 12, 157 S. Main St., Pendleton.)

VETERANS MAY REPAY WITHOUT HARDSHIP

Veterans who received overpayment of subsistence allowances will be able to repay the government without undue hardship, the Veterans Administration announces.

Instructions to that effect have been sent to all VA field offices. In addition, any veteran whose subsistence allowance has been suspended to balance prior overpayments, and who can show resultant hardship, may apply for readjustment at his VA regional office.

The overpayments resulted from wage ceilings for veteran trainees established by the last congress and which provided that combined earnings and subsistence could not exceed \$200 for married veterans, \$165 for single veterans. Each trainee is required to report earnings every three months to the VA.

Veterans who received overpayment of subsistence were warned, however, that they would be required to remit all such amounts to the government.

Q. I have two dependent children. I am a World War I veteran and would like to know if I can get a nonservice-connected pension?

"Your Grandma asked for PEARL OIL too!"

Grandma will tell you that PEARL OIL was a kerosene leader in her day — just as it is now. It doesn't give off smoke, soot or gases that might smell up rooms. It gives more heat with bright steady flame that won't creep up to scorch pies, cakes. And PEARL OIL is pure — it all burns — no waste! Use it in all your kerosene appliances.

TO OUR FRIENDS AND NEIGHBORS of Morrow County:

After 12 years of pleasant business relations with you it is not easy to announce our retirement from the commercial life of the county. Nevertheless, it is an obligation that must be met and we wish to tell you that the business of the Jackson Implement Company has been sold to Mr. Mervin Leonard of Walla Walla, Wash., who assumed the management on February 1.

It is not the intention of the Jackson family to leave Morrow county. We have other interests to claim our time and we hope to be counted among you for many years to come. This is the land of opportunity and it is our desire to participate in the development of the rich agricultural possibilities.

In parting, let us speak a word in behalf of our successor. You will find him fully qualified to carry on the International sales and service as he comes from a managerial position with one of the larger International houses of the Inland Empire. Your continued patronage will be deeply appreciated.

Sincerely yours,

JACKSON IMPLEMENT CO.
