

News From C. A. Office

Interest in equipment for high pressure spraying of cattle for lice and grub control as well as use for weed control is being shown by farmers in some sections of Morrow county. Since most high pressure sprayers are quite costly and not economical for one operator to own, it is possible for a group of farmers to purchase one cooperatively. The first farmers to get together on a cooperatively owned sprayer is a group headed by Merle Kirk, with Sam Turner, Cliff Daugherty, John Kenny and John Healy owning shares. The sprayer has been used on these herds for grub and lice and will be used for weed control spraying with 2-4-D in a few months.

There seems to be a considerable amount of interest in the feeding of minerals to livestock throughout the county. Many livestockmen have called at this

office regarding the minerals that are lacking and need to be fed. Under Morrow county conditions the minerals needed are salt, phosphorous, calcium and iodine. A simple mixture of one-third steamed bone meal, one-third coarse salt and one-third ground limestone can be mixed at home. One ounce of potassium iodide should be added to 300 pounds of the mineral mix. Farmers who are buying so-called "balanced minerals" for a fancy price are spending a lot of money for minerals not needed. Minerals mixed or manufactured in other states or localities many times include minerals needed in that particular locality and do not consider the needs for Morrow county.

Poor equipment and poor management in brooding and rearing can ruin the best chicks ever hatched, says J. A. Harper, assistant professor of poultry husbandry, and N. L. Bennion, extension poultryman, in a revised O.S.C. extension bulletin, "Chick Brooding and Rearing." This bulletin, first issued in 1944 but revised and reprinted recently, constitutes an illustrated handbook on methods found best by the experience of Oregon poultrymen. Copies are free at this office.

Mr. and Mrs. Victor Peterson and family of The Dalles were weekend visitors at the Victor Rietmann home.

The HEC of Willows grange met at the home of Mrs. John Ransier Friday, Feb. 21, with a potluck dinner at noon.

The PNG of the Rebekahs will meet at Mrs. Della Corson's Friday, Feb. 21.

At a regular meeting of the Bunch Grass Rebekah lodge Thursday night of last week it was decided to give a dinner Sunday, March 16, at the Rebekah hall. Proceeds will go to the

school teacher. The other one is a son born to Mr. and Mrs. Ollis Lathrop Monday evening. Mr. and Mrs. John Volle are the proud grandparents.

Mack McCoy, son of the R. M. McCoys, had the misfortune of being splashed in the face with hot oil Monday at Island City. It is not known how seriously injured he is, as it was wired down last night.

Home News Items of the Week

Sunday church school 9:45 a. m., Mrs. Lucy Rodgers, superintendent.
Thursday, choir practice at 7 p. m.

Ranger Variety of Alfalfa Seed Ready

For the first time, ample supplies of foundation seed of Ranger alfalfa are available this spring for all eastern Oregon counties interested in seed production of that variety, says E. R. Jackman, extension specialist in farm crops at Oregon State college.

H. E. Fennell, seed certification specialist for the extension service, has recently obtained 3000 pounds of this foundation Ranger alfalfa seed which is being allocated to eastern Oregon counties somewhat in accordance with the acreage of alfalfa grown for seed in the different counties, Jackman said.

Growers who want to produce Ranger seed can get the requirements for certified seed production from any county agricultural agent.

AVAILABLE: The best one-man business in this county. If you are between 25 and 55 years old, have car, and possess good reputation, you can qualify. Write J. R. Watkins Company, 4512 Hollis Street, Oakland 8, Calif. 49-55c

HOME BOYS PLACED

track team while attending school there.

In 1939, both men joined the 161st Infantry regiment of the Washington national guard. The unit was called to active duty in 1940, and the men stayed together until 1943, at which time they both applied for officers' training. After graduation, Cherry was assigned to the Pacific theater as an infantry officer, and served with Filipino troops, while Stonesifer graduated as a bombardier and served with the Eighth Air Force in Europe. Prior to their reenlistment in January 1947, both men had attained the rank of captain—the rank currently held by each in the officers' reserve corps.

With the addition of these men to the local recruiting staff, Sergeant Bold states that it will now be possible to maintain a regular schedule of visits to the various communities served by the Pendleton main station. For the information of those interested in enlisting or reenlisting in the new regular army, a recruiting team will be in Heppner every Monday, in Milton and Freewater every Tuesday, and in Hermiston and vicinity every

Wednesday. In addition, the main station, at the Post Office building in Pendleton will be open six days every week.

CARD OF THANKS

I wish to express my heartfelt thanks to the people of Heppner and vicinity for their expressions of sympathy, and for the beautiful floral offerings; and to the members of the Elks lodge—Harvey Miller, Frank Connor, Jack O'Connor, Terrel Bengel, Harvey White, Sam Turner, William Bucknum and Harlan McCurdy Jr., who drove to Hillsboro to assist with the burial services.

Mrs. Ernest Edwards and Donald.

IRRIGON NEWS

By Mrs. J. A. Shoun
Mr. and Mrs. Walter Dodge went to Tillamook Saturday to visit relatives.

Mr. and Mrs. Ralph Minnick of Pendleton spent the week-end with relatives in Irrigon.

John Volle and Paul Slaughter are busy lambing with good percentages reported.

Mr. and Mrs. R. M. McCoy and son Ben went to Island City to see their son and brother, Mack McCoy who had his eyes injured in an explosion.

The two girls chosen from Morrow county to be cadet nurses three years ago, March 9, Lois Smith and Betty Acok, were sent first to La Grande and then to Spokane where last fall three girls were selected to take special training at Palo Alto. Betty and Lois were two of them. They finished at Palo Alto and will go to the city-county hospital in San Francisco for a 4-week pre-R.N. course. They will then be home until July when they will rejoin their class for graduation.

The lone town teams played Irrigon here Wednesday evening. The first lone team won 33-30 in a close contest. The lone second team won 53-27 in a one-sided contest. Robert Brown was referee.

Irrigon high school played the St. Joseph academy at Pendleton, the academy winning.

The senior class had a pinocle party at the school gym with eight tables in play. Mrs. Munns won first prize and Mr. Houghton the floating prize.

The L. L. ladies met in the church basement to cut out aprons and work on quilts.

Mrs. M. J. Smith, Mrs. Stella Lane and Mrs. Ida Slaughter had a combined shower for Mrs. Ollis Lathrop and Mrs. Henry Lathrop of Ordinance. They received lovely and practical presents. They served cake and coffee for refreshments at the Smith home.

Mr. and Mrs. W. B. Dexter returned from La Grande Monday where they had visited their son Vallis and family. He is not very well but had been discharged from the hospital.

The Womens Missionary council met at Mrs. J. E. McCoy's Thursday and finished quilts for the childrens home.

Irrigon has two new baby boys. The first is a son born to Mr. and Mrs. M. D. Weisflock Sunday night, weighing eight pounds. They have a daughter one year old. Mr. Weisflock is assistant band man and high

1 STOP SERVICE FOR YOUR CAR

We invite you to enjoy our COMPLETE AUTOMOTIVE SERVICE for all makes of cars and trucks. Our service department is a "miniature automobile factory" so to speak... where you can get anything from a wash job to a complete rebuilding job, without worry or care. EVERYTHING THAT IS BEST FOR YOUR CAR AT A PRICE YOU CAN AFFORD TO PAY.

LUBRICATION
Yes, we know how to completely lubricate your car, and have the right kind of equipment and specialized lubricants to do a thorough job. Don't neglect having your car lubricated at proper intervals—and the old oil changed regularly. It is the best "long life" insurance that you can have for your car.

BRAKE SERVICE
Proper Brake Adjustment and wheel alignment is so important—not only for SAFETY... but also wear and tear on car and tires. Faulty brakes cause serious accidents... and it's not safe to drive a car if brakes are not working properly.

MOTOR SERVICE
The cost of a motor tune-up is slight compared to the pleasure and economy that it gives you in the operation of your car. We also install new rings, new pistons or rebuild your motor if necessary.

RADIATOR AND BATTERY SERVICE
A lot of grief can be caused by Radiators all being stopped up. They should be cleaned out thoroughly before you put in ANTI-FREEZE. Batteries need water and looking after too.

TIRE SERVICE
Rotate Tires for longer wear. Be sure to have breaks and holes in the casings vulcanized and repaired. We handle NEW TIRES and are glad to take care of all your tire troubles.

Transmission, Clutch And Rear Axle
When you hear a grinding noise be sure to have it looked after right away. Or a slipping clutch may mean a BIG REPAIR BILL if not looked after.
