and Arthritis

Doctors differ as to the merits of NUE-OVO. Many users say it has brought them relief. If you suffer from Rheumatism or Arthritis why not write for literature on NUE-OVO from Research Laboratories, Inc., 403 N. W. 9th, Portland, Oregon. Pd. Adv.

Save Your

and at the same time stop annoyance from bugs and other insect pests

Starting Monday, May 12th

about the home.

I have purchased an up-to-the-minute spraying outfit, and next Monday will start spraying cork elms and any other affected trees. . . . All trees should be treated, as spraying one tree merely drives insects to surrounding trees, or from one neighbor's place to another. Every effort will be made to give you the best of

This spraying campaign has the endorsement of the Heppner Chamber of Commerce in the interest of preserving the tree life of the com-

service at rates consistent with good service.

Make arrangements today by calling 2193 or calling at residence on Riverside Ave.

From where I sit ... by Joe Marsh

Where's the Argument?

You should have heard Ed Carey versus buttermilk. Folks who've and Spike Miller debating the merits of Guernseys versus Holsteins. Ed's our firechief, and Spike handles hardware - but to hear who've never tasted buttermilk will them argue you'd have thought that be equally pig-headed. they'd been dairying for life.

Finally they put it up to Sam Carter, who breeds dairy cows! get bigoted and stubborn. But Sam home and haws . . . and con- when it comes to things we know cludes there's a lot to be said for a lot shout, we're able to see both Holsteins, and about as much for sides ... be tolerant and reasonable Guernseys . . . take your pick!

Actually, Ed and Spike were like people arguing about - say, beer

never tasted beer will sometimes get mighty vehement about their choice of beverages. And folks

From where I sit, it's in things we know nothing about that we . . . and above all, understanding.
