BROWNIE TROOP NO. 1 HAS MANY ACTIVITIES DURING PAST MONTH
The Brownie Scout troop number 1 has had many interesting activities during the past month. They made May baskets which were shaped like parasols, filled them with flowers, and delivered them to their "shut in" friends.
They also made leaf print stationery to give to their mothers on Mother's day. Many of the girls are working on leaf print collections.
On Friday, May 9, they were overnight guests of Mr. and Mrs. John Wightman at their mountain home. They had their first experiences in preparing and serving group meals. They also enjoyed a hike and picnic on Saturday.

FOR THEIR LAST MEETING OF THE school year they held a picnic on the lawn back of the court house. Each member invited as her guest another little girl who would like to be a Brownie. An investiture ceremony was held and Frances Mariatt became a member. The following girls were announced as honor scouts for the past three months: Adelia Anderson, Nancy Anderson, Jean Marie Graham, Sandra Lanham and Judy Thompson.
The above girls and the following were given membership

GAS & AIR...
Howdy Folks: This week, we will discuss America's greatest indoor sport—bridge.
The most important thing in the bridge game is to pick a good partner. Never select a partner with a one-trick mind.
Early to bid and early to raise doesn't make a good bridge player.
A good bridge player is one who learns to take it on the shin.

TO THE HUSBANDS
One of the neatest card tricks is learning how to get out of making a fourth hand at bridge.
During the war, the servant problem was so serious many women stopped playing bridge and started playing Bridge.
Playing a good game of bridge indicates the triumph of mind over chatter.

Our game is to supply you with body and fender repair and complete car painting.
We try to do a good job of it.
