TROEDSONS ENJOY TRIP TO CALIFORNIA AND OREGON COAST POINTS

Mr. and Mrs. J. A. Troedson returned Thursday from a trip to California. They went as far as San Jose, where Mr. Troedson was born and lived until he was 13 years old, when he came to Oregon with his parents. He visited many cousins in San Jose and called on a schoolmate he had not seen since he left California.

The drying of prunes and apricots was in full swing and the Troedsons were fortunate in getting some to bring home. On their way home, Mr. and

Mrs. Troedson came up the coast highway, making several stops along the way, including Coos Bay, Waldport, Newport, the Lookout and Ocean Lake. At Newport they stayed overnight at the tourist camp of Mr. and Mrs. McFarland, formerly of Boardman. Mrs. McFarland is well known in this vicinity as she was Pomona master of the grange for 12 years. Mr. McFarland is much improved in health and they are very happy in their new home.

After leaving the coast, the first stop was at Salem, at the home of Mr. and Mrs. Laxton McMurray. The cordial hospitality given them here was greatly appreciated, as they were tired from their trip along the coast, which had taken about a week. From Salem they went to the home of their daughter, Mrs. R. C. Putnam at Clackamas. While there they visited several places in and around Portland. One day was spent at the home of Mr. and Mrs. Earl Wilkinson. This was really a gathering of the Troedson family, the following being present: Mrs. Sophia Troedson, Mrs. Lillian Troedson Wilkinson, Mrs. Anne Troedson Smouse, Mrs. Frances Troedson Putnam and Mr. and Mrs. J. A. Troedson.

The two Putnam children, grandchildren of the Troedsons, accompanied them home for a visit before school starts.

A junior horse show, exclusively for young riders of 16 years and under, will highlight this year's Umatilla county fair at Hermiston, according to Jack McClard, Hermiston, president of the Trailriders Riding club, which will direct the show. Dates for the junior event are Friday and Saturday, Aug. 29 and 30.

George Corwin drove down from Pomeroy, Wash. Monday for a visit. Joan will stay at the lookout station with her brother Lauren who said he had grown tired of visiting with himself. Mr. Corwin, former superintendent of the Heppner schools, is highly pleased with his new job as superintendent of schools at Independence, to which point he will go shortly to get ready for the opening of school.

Mrs. Jack Hynd Sr. has been visiting relatives and friends in the county for several days. She returned to her home in Pendleton this afternoon.

M. D. Clark and daughter, Mrs. Frank Riggs, and her son Clark came up from Eugene the first of the week to look after business affairs for a few days. Mrs. Mabel Hughes spent Saturday and Sunday at the home of her son W. E. Hughes and family at Lena. She returned to her home in Milton Monday. Mr. and Mrs. George McDuffee of Portland were visitors in the county this week. This office acknowledges a pleasant call from Mrs. McDuffee this afternoon.

Our statement of policy

We want our customers and the entire community to know ---

- 1 That it is our constant endeavor to raise to the highest degree the standards, ethics and practices of automobile merchandising.
- 2 That we seek, through cooperative efforts of local, state and national automobile dealers associations, the correction of any unfair or unbusinesslike practices.
- 3 That new cars are being distributed fairly and equitably, with every consideration being given to our community's interest.
- 4 That new cars will be sold at established prices current at time of delivery, and no bonus payment or premiums of any kind will be accepted.
- 5 That fair and reasonable value is given for every used car taken in trade; while we hope customers having used cars will, as in the past, trade them with us (so we in turn may supply more people with needed transportation) we will still make every effort to provide new or used cars to those not having cars to trade.
- 6 That while we are glad to install special accessories (when available) which add to the appearance, usefulness, comfort and convenience of the new car, no customer is required to purchase any extra equipment which he does not desire.
- 7 That we are doing everything in our power to help eliminate black market operations in our industry.
- 8 That despite the continued, critical shortage of new cars we are anxious at all times to talk over with you your new car needs.
- 9 That regardless of the termination of government regulations, affecting our business, we believe the high standards herein expressed are sound business principles, and we will be guided by them.
- 10 That our business is being conducted on a basis to merit public confidence and respect.
