THE BIGGEST SALMON IN THE WORLD

(Caught on Rod and Reel)
... was an 83-pound Chinook, taken from the Umpqua River of Western Oregon in 1910 by F. R. Steel. He used a Skinner spoon and a Bristol rod. This official record catch has never been equalled in 37 years.

THE BIGGEST BARGAIN IN YOUR HOME

... is low-cost electricity. Other prices are up, but Pacific Power & Light rates are the lowest in history—less than half the national average. Our electric service is so popular, and the area is growing so rapidly that the power load on our system has nearly doubled since 1940.
