Senior 4-H Beef Club Reports Progress

By Betty Graves
The Senior Beef club members met at the home of Ingrid Hermann near Jordan Sliding December 7. Progress of members' calves and filling out of feed sheets were the main discussions.

Mr. and Mrs. E. M. Baker have invited the beef club members out to their ranch for the Christmas party. It was decided to have each person give two presents, one nice one and one crazy one.

While refreshments were being served each member wrote a line to Gerald Peterson who is recovering from the effects of serious burns suffered last summer. Gerald is in Portland.

World War II Vets Advised of Lands

World War II veterans interested in the purchase of surplus farm lands as now advertised in the former Camp Adair project near Corvallis have until December 31 to make such declaration in writing. Project Manager Thomas F. Whiteman informed the state department of veterans' affairs today.

Veterans have priority, after December 31, on the remainder of 24,000 acres of land presently being offered former owners and tenants.

Those interested should write the project manager, Box 622, Corvallis. They should give their full name and address, state that they claim priority rights as veterans "for purchase of lands as advertised Oct. 2 and Oct. 16, 1947," and request to be notified when information on the property is available so they may have an opportunity to make offer to purchase.

Within 60 or 90 days following the first of the year, these veterans will receive their notices. The project office at that time will be ready to conduct inspection tours of the lands, Whiteman said.

26 Morrow Veterans Obtain G. I. Loans

Veterans of Morrow county have obtained 26 G. I. loans since March, 1946, the Veterans Administration's regional office has informed Charles M. Cox, contact representative for this area.

These loans, counted up to the end of October, have amounted to \$121,502.58, including guaranties by the VA totaling \$56,230.86. In the three basic categories, this county's definitely committed loans include: On homes, 16 totaling \$83,220.96; on farms, 7 amounting to \$28,339.50; and on businesses, 3 for \$9,942.12.

Multnomah county, with its large population and big home loan business, led the state with 2,764 loans. Next ten in order were: Marion, 679; Klamath, 626; Washington, 439; Lane, 408; Clackamas, 355; Deschutes, 276; Umatilla, 274; Linn, 242; Josephine, 236; Douglas, 211.

Some 1,174 loans with guaranty commitments were made between the start of the program in February, 1945, and March, 1946, but these have not yet been codified for the new file sorting apparatus in regional office and do not appear in the above figures. The latter date marked the start of loan operations under the drastically amended present federal act.

The 10,300 G. I. loan approvals counted thus far for Oregon also include several hundred now being processed or in stages of building construction, and others delayed or never closed for various reasons, the VA said.

Allergy Medical Center Slated for Veterans

Oregon veterans suffering from allergies will benefit soon from a medical center for their diagnosis and treatment now being established at the veterans administration hospital in Portland. Charles M. Cox, VA representative here, reported today.

This allergy center will serve veterans in the entire Northwest, as the shortage of trained allergists makes impossible at present such units at other VA hospitals in the area, Mr. Cox pointed out.

Complete laboratory facilities are being installed and the center is being developed under direction of Dr. Robert L. Benson, Portland allergy specialist.

Testing, study and treatment of patients believed to have allergies will be under Dr. Benson's guidance, when the new center opens.

Town of Lexington, Oregon, for the minimum price of \$50.00, cash.

THEREFORE, I will on the 10th day of January, 1948 at the hour of 10:00 A.M., at the front door of the Court House in Heppner, Oregon, sell said property to the highest and best bidder.

C. J. D. BAUMAN, Sheriff, Morrow County, Oregon, By Frances Mitchell, Deputy. 38-42
