## SUMMONS

IN THE CIRCUIT COURT OF THE STATE OF OREGON FOR THE COUNTY OF MORROW.

SAM WHITE, Plaintiff, vs. JOHN GREUEL and JANE DOE GREUEL, his wife, whose true name is unknown to Plaintiff, RICHARD A. BECKER and HELEN IVERNA BECKER, his wife, and the unknown heirs of John Greuel, if deceased. Also all other persons or parties unknown claiming any right, title, estate, lien or interest in the real estate described in the complaint herein.

To the Defendants, and to each and all of you: IN THE NAME OF THE STATE OF OREGON you and each of you are hereby required to appear and answer Plaintiff's complaint filed against you

## Kitchen Cabinet Design Subject Of New Bulletin

A comprehensive 90-page illustrated bulletin on planning kitchen cabinets has just been issued by the Oregon State college experiment station as bulletin No. 445. It is the report of research conducted by Maude Wilson, home economist in charge and nationally known specialist in housing.

This bulletin is the first of two publications dealing with planning kitchen cabinets, the second being "Patterns for Kitchen Cabinets" to be issued soon. The two are designed for use by homemakers in preparing sketches for new or remodeled kitchens, by home craftsmen, teachers of courses in house planning, and designers of factory-built cabinets.

The modern kitchen is organized on the work center principle as nearly as space and cost limitations permit, Miss Wilson states. When properly planned the work surfaces will be adequate, with equipment and supplies stored within easy reach.

The steps are suggested by Miss Wilson of keeping the cost of a modern kitchen within reason while providing adequate cabinet space. These follow:

1. Plan counter space to provide the minimum adequate amount of work space needed at each center.
2. Utilize the available storage space above and below each surface.
3. Provide for the remaining storage needs with floor-to-ceiling cabinets.

One section of the bulletin is devoted to heights of working surfaces as found most convenient for the average woman. A list of recommended dimensions and heights for kitchen surfaces are given.

Another suggestion by Miss Wilson is that every kitchen should have a place for the worker to sit at work with feet on the floor. This may be a pull-out board set just high enough to clear the thighs—24 to 26 inches.

Copies of the bulletin may be obtained free from county extension offices or direct from the college.

## RESIGNATIONS AND APPOINTMENTS

Dr. George A. Cathey, Portland, resigned from the state game commission this week because of ill health. The resignation is effective December 31. Cathey served on the commission since February, 1945, and is a past president of the Izaak Walton league.

Henry W. Collins, Portland, chairman of the racing commission, will resign before December 31. Collins says he had written the late Governor Snell of his intention to resign but the immediate action was brought by a challenge of the board's authority in setting racing dates.

Governor Hall has appointed Al S. Grant, Baker attorney, to the state board of higher education. The appointment is for the unexpired term of the late Willard L. Marks, ending March 2, 1956. Grant served three terms in the legislature.

## FORESTRY FUND DISTRIBUTION

Oregon's allocation of Clark-McNary forestry funds for 1948 will total \$863,817. Under a new plan adopted this week by the state forestry board \$643,817 will be provided for forest protection agencies, \$7500 for slash disposal, \$7500 for a new central warehouse, \$125,000 for the emergency fund, and \$80,000 for five 20-men crews.

In the above entitled court and cause within four weeks from the date of the first publication of this summons upon you and if you fail to appear or answer for want thereof, plaintiff will apply to the above entitled court for the relief prayed for in his complaint, to-wit:

For a decree quieting title to the following described real property, situate in Morrow County, State of Oregon, to-wit:

All of Lot five (5) in Block thirty-eight (38) West, in Section Twenty-three (23), Township Five (5), North Range Twenty-six (26), East of the Willamette Meridian.

and that it be adjudged and decreed that the plaintiff is the owner in fee simple of said real property and that whatever interest or title you may claim to have in said real property be null and void and that each and all of you and all persons or parties known or unknown, claiming by, through or under you be forever barred and restrained of and from all claim, right, title and interest in and to said real property and every part thereof and for such other and further relief as may be just and equitable.

This summons is served upon you by publication thereof once a week for four successive weeks in the Heppner Gazette Times, a newspaper of general circulation published in Morrow County, Oregon, pursuant to an order of the Honorable Bert Johnson, Judge of the County Court of the State of Oregon, for Morrow County, which order is dated November 25, 1947, and the date of the first publication of this summons is November the 27th, 1947.

JOS. J. NYS, Attorney for the Plaintiff. Residence and Post Office Address, Heppner, Oregon. 36-40

## NOTICE OF SALE OF COUNTY PROPERTY

BY VIRTUE OF AN ORDER OF THE COUNTY COURT, dated December 10, 1947, I am authorized and directed to advertise and sell at public auction at not less than the minimum price herein set forth:

Lots 2, 3, and 4 in Sec 17, Twp. 5 North, Range 27 East W.M., for the minimum price of \$75.00, cash.

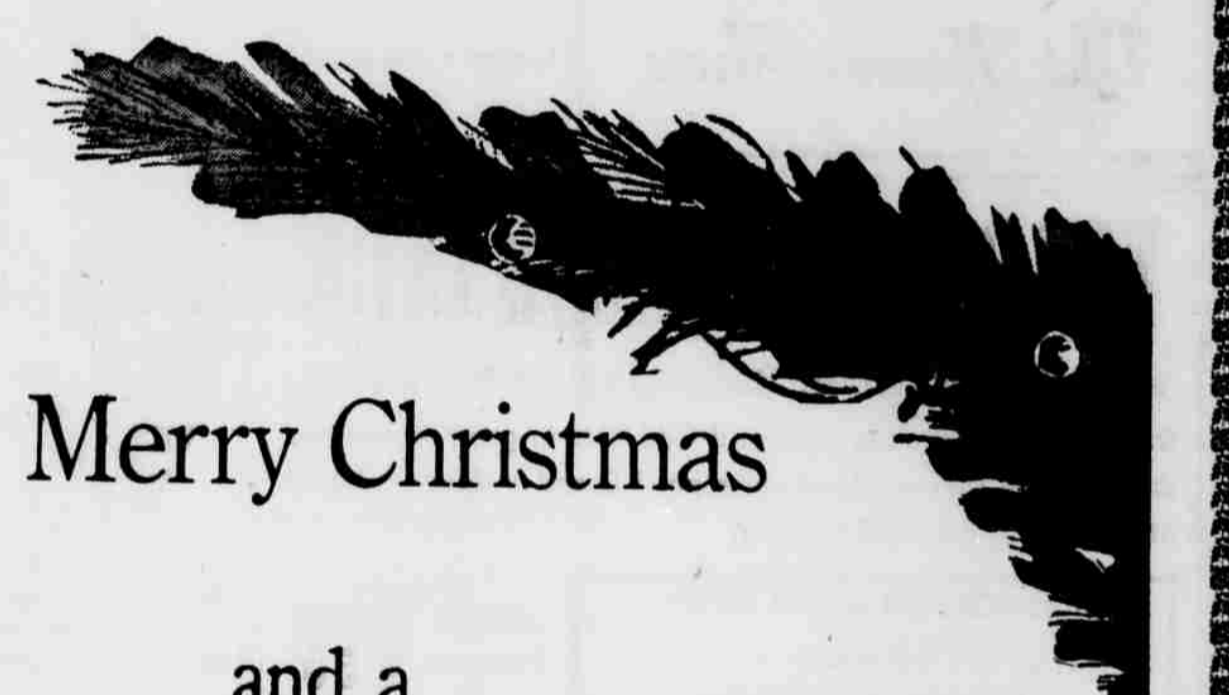

Lots 1 and 3 in Block 6 of the Town of Lexington, Oregon, for the minimum price of \$50.00, cash.

THEREFORE, I will on the 10th day of January, 1948 at the hour of 10:00 A.M., at the front door of the Court House in Heppner, Oregon, sell said property to the highest and best bidder.

C. J. D. BAUMAN, Sheriff, Morrow County, Oregon. By Frances Mitchell, Deputy. 38-42

## Is This America? Or Is It Russia?

The Board of Supervisors of the Gilliam County Soil Conservation District are operating a government-owned tractor in competition with private enterprise and at a price which private enterprise cannot compete and maintain a healthy condition... No wonder they are short of funds.

Does our constitution permit government-owned machinery to be operated against private enterprise when it is not necessary? We ask this District to put their own tractor on their own equipment or the tractor of any private operator, other than that owned by the government. Then you will soon go out of the price chiseling business, and meet competition on good sound business operation... If you would keep your outfit in your own District this would not be written.

We challenge any private operator in the management of the Gilliam County Soil Conservation District to put twenty-five thousand dollars of dirt moving equipment on the job and stay. We appreciate good clean competition.

Today a land owner in the Boardman District asked me to check his plans at the District office and give him a bid on the job on his own farm. The Soil Conservation office said no. And they would not let me see the plans. I had them call their dictator, Ray Kent, at Pendleton, Oregon, and the answer was still no. Later I learned they were saving this job for the Gilliam County Soil Conservation outfit... Is this a fair deal to private enterprise? Is this America? Or is it Russia?
