**School House At
Kinzua Undergoing
Pre-School Repairs**

By Elsa M. Leathers
Kinzua has a new barber this
week, when David Peterson moved
with his wife here from Cottage
Grove and opened the shop that
had been closed for three weeks.
Mr. Peterson is the son of H. R.
Peterson who is section boss.
Repairs were made the past week
on the school house. New indoor
toilets and hot water facilities are
being installed, while

the rest of the building is getting
the annual cleaning by the janitor.

The ball game was called by
Manager Joe Hays of Kinzua last
Sunday because of the rain. At
the end of the first half of the
first inning Kinzua had in three
runs. Weather permitting, the
game will be played Sunday.
Taylor Jensen Jr. left Monday
morning, so will not be with the
team again. Perk Jellick was
catcher.

Ralph Moore was called to The
Dalles last week to the bedside
of his mother who is seriously
ill. Mrs. Moore will be remembered
as Mrs. Emmett Moore of Lonerock,
where they lived for many years
on a ranch. The last word received
Monday was that Mrs. Moore was
still seriously ill. Many friends
of Harry (W. H.) French were
shocked to hear of his passing last
week at the home of his daughter,
Mrs. Elmer Nelson, at Garibaldi.
Mr. French had sold his timber and
ranch to the Kinzua Pine Mills a
few years back, and at the present
time plans are being made to make
a park of a part of the beautiful
Blue Mountain ranch now leased
by John Wightman.

Miss Charlene Rood returned
to Kinzua with Mrs. Jerry Rood
from Stanfield and will attend
high school at Fossil this year.
Mr. and Mrs. Art Watson were
called to La Grande Saturday by
the serious illness of his father.
The Watsons will return before
school starts.

Jack Durfee and family of Wetmore
and Jimmy Durfee were in Kinzua
Sunday.

Miss Joan Otto and Marlene
Neth who have been spending the
summer vacation in California,
returned home this week.

Mr. and Mrs. Otis Morley and
daughter returned to Kinzua after
taking a month vacation visiting
in Tennessee and Pennsylvania.

Mr. and Mrs. Finley Kelly of
Wetmore were down to Kinzua
and Fossil Sunday.

Mr. and Mrs. Delvin McDaniel
moved their furniture from Hardman
over the week end into the house
recently vacated by Ted Bothum.

Kinard McDaniel made a business
trip to Lonerock and on to Heppner
this week end, returning home
Sunday p.m.

Mr. and Mrs. Gene Bayde and
boys moved to Potlatch, Idaho, on
Monday. The Boyder sons, Jim
and George, were Boy Scouts and

4-H Club News . . .

Club members should be putting
the finishing touches to their
4-H projects that will be exhibited
at the Morrow County Fair and

were the honor Scouts who were
rewarded with trips to summer
camp at Willowa lake.

Mr. and Mrs. Geo. Fichter of
Lonerock were in Kinzua Wednesday
shopping at the mercantile and
looking at the stock yards, making
preparations to ship their two
carloads of lambs next week.

Joe Morgan left the first of the
week for Portland where he plans
to go through a clinic and enter
a hospital for medical attention.
Mr. Morgan has been in ill health
for the past year and spent several
weeks in May and June at a
Prairie City hospital.

Eddie Russell was attending to
business at the K. P. mills office
Saturday morning and visited at
the Owen Leathers Sr. home.

Rodeo, September 2, 3 and 4. All
4-H exhibits must be in place by
6 p.m., September 1. Agricultural
judging and demonstrations
contest will begin at 9 a.m., Sept. 2,
followed by judging of all 4-H
exhibits during the afternoon. The
dress revue will be held Thursday
evening, 8 p.m. at the dance pavilion.
Home economics contests will
be held on Friday, September 3.

Club members will be asked to
parade their livestock in the Rodeo
arena Friday afternoon during
the show. On Friday evening,
September 3, the first 4-H Fat
Auction sale will be held at the
judging arena beginning at 7 p.m.
The parade Saturday morning
will include many 4-H club animals.
Climax of the show will be the
calf scramble on Saturday afternoon
in the Rodeo arena.

Many special awards and special
contests are being offered this
year by private individuals and
organizations interested in

4-H club work. Check these special
and plan to compete in the
contests for which they are offered.

In 1824, Thomas Jefferson wrote:
"I hope the choice (of the next
President) will fall on some real
republican, who will continue
the administration on the express
principles of the Constitution,
unadulterated by constructions
reducing it to a blank

to be filled with what everyone
pleases, and what never was
intended.

Speaking of taxes do you know
how many hidden taxes you pay?
For example, there are: 126 different
taxes on a pair of shoes; 78 different
taxes on a quart of milk; 148 on
overalls; 131 on a fence; 142 on
a plow; 154 on a cake of soap; 201
on a gallon of gasoline and they're
all a part of the purchase price.
