

Accidents Feature Week's News From Kinzua Territory

By Elsa M. Leathers
The Kinzua territory was the scene of numerous accidents the past week end. Saturday evening as Oscar Adams Sr. and son Lloyu were bringing a truckload of 12 x 12 green lumber from their mill on Alder creek the brakes gave way on the Searcy flat hill. The truck crashed into a fir tree about two feet in diameter and after sliding about 30 feet was turned upside down. The elder Adams was temporarily knocked out and when he regained consciousness he heard his son calling for help. Lloyu was pinned under the wheel and hot water from the

radiator, which was directly over him, was pouring on him, burning him severely. He was rushed to a hospital at Prineville. Mr. Adams was uninjured. The cab, motor and frame of the truck were a complete loss. The vehicle was partially covered by insurance.

Friday evening the new car recently purchased by Mr. and Mrs. Stewart Turner left the highway and upset. Neither was injured. J. D. Coleman was a passenger and he, too, escaped injury.

The small son of Fred Moran fell from a slide at the school house early in the week, breaking his arm near the wrist. He was rushed to The Dalles where it was put in a cast. Mr. Moran took his son back Saturday for an x-ray and it revealed the bone was knitting satisfactorily.

J. B. Armstrong suffered a severe heart attack Sunday morning and was taken to Fossil

where he received medical attention. Mrs. Armstrong took him to The Dalles Monday where he is receiving further treatment. They were accompanied to The Dalles by Mr. and Mrs. Matt Jurick.

Many friends in Kinzua received invitations to attend the wedding of Lilly Hastings, daughter of Mr. and Mrs. Sabin Hastings, to Murle De Garmo of Milton, Sept. 12. The Hastings' are former Kinzua residents and Lilly was a graduate of the Kinzua school. The Hastings' are also former Morrow county people, having made their home in Hardman for many years.

Mr. and Mrs. Wilbur Ellis spent the week end at Bend taking in a rodeo held there.

Mrs. Jerry Rood and Mrs. Harlan Adams and daughter Joan, Miss Charlene Rood and Mr. and Mrs. Fred Beard motored to John Day Saturday to consult a doctor. Mrs. Forrest Graham severely cut her hand Sunday evening

while washing a drinking glass that broke in the water. She was taken to Fossil since the local doctor was away, where four stitches were needed to close the wound.

Only the mill and green chain were in operation Monday due to a turbine failing. It was repaired and a Westinghouse representative announced it O.K. Monday evening for resumption of work for the entire plant on Tuesday morning.

Mr. and Mrs. Harlan Schroder and little "Becky" and Mel Wham spent several days at Baker where Mr. Wham was to have his eyes tested, and also visiting relatives.

Mr. and Mrs. Harry Johnson and family of Vancouver, Wash., are spending a couple of weeks here. They plan to attend the Pendleton Round-Up before returning home.

Mrs. Owen H. Leathers and son Owen Jr. spent a short time in Heppner Saturday on business. Roy Robinson was attending to business at the Kinzua office this week from his mountain ranch near Camp 5.

Mr. and Mrs. Stan Hadley were visiting here Sunday from Camp 5. Mr. and Mrs. Marvin Jones and child accompanied them down, also Galen Jones.

Frank Wilson's sons, Darrel and Mr. and Mrs. Maurice Wilson and family of Mayville were visiting him Sunday. They also visited the Claud Englands at the confectionery and pastime.

Hugh Samples and son Tommy and daughter Betty were attending to business at Pendleton, also stopping over in Heppner.

Wayne Dunn returned to Kinzua after spending ten days in central California. He says it is plenty hot down there and was glad to be home.

Owen H. Leathers Jr. and Norman Adams returned to their respective jobs Monday after enlisting in the U. S. navy at The Dalles last week. They will be called for physical examination November first.

Mr. and Mrs. Lester Doolittle of Heppner visited overnight at the home of Mr. and Mrs. Jerry Rood. Mr. Rood is a nephew of Mrs. Doolittle.

Mr. and Mrs. Joe Schott received word their daughter Lillian who is a student at the University of Oregon, Eugene was pledged to Sigma Kappa sorority this week.

Mrs. Jim Omahundro of Umatilla and her daughter, Mrs. Frankie Patterson and children visited several days with her brother, F. M. Harrison and family this week.

Mr. and Mrs. Stanley Robinson and Doris were looking after business in Heppner over Saturday.

Mrs. Fred Long is helping out at the confectionery. Mrs. Bill Terry quit to work in the factory. Mr. and Mrs. Marvin Hines and daughter Ginger were consulting an ear specialist at Pendleton on Saturday for Mrs. Hines, also an optician for Ginger.

Mrs. Aubria Peyton was taken to The Dalles hospital this week end and Mrs. Frank Galyean also entered the hospital Saturday with a bad case of infection in a toe, caused by trimming a corn too closely. Jim Armstrong also stayed over at The Dalles for further consultation.

Claud England, Kinzua, owner and manager of the pastime and confectionery, spent several days in Portland for a medical check-up.

HAZARD

Panlette Goddard, Macdonald Carey, Fred Clark, Maxie Rosenbloom.

Its ominous title to the contrary, this is a romantic comedy . . . and a good one. We don't hesitate to deal out every high card of praise for this gay, gambling bit of entertainment.

NEW LIVING SOUND

"THIS IS LONG DISTANCE"

How telephone operators route and time your calls

1. Perhaps you've wondered how your long distance calls usually go through so quickly . . . even to small, far-away places. The routing operator is one reason. A long distance operator has just asked her the route to Pilot Grove, Missouri. From her special book she finds it and flashes back . . . "MX Kansas City, TC Boonville."

2. When the call is answered, thousands of miles away, the operator placing the call slips her "toll ticket" into this device . . . known as a calculagraph. When you begin talking, she moves a lever to stamp the time on the ticket. When you hang up, a signal tells her to stamp it again . . . thus recording the length of your call.

3. Your call's roadway, to Pilot Grove—or anywhere—is kept open in this Traffic Control Center. Should major trouble occur on one route, the Center must find another to carry the calls. This is just part of our service job . . . making it possible for you to call across town, or across country, when you wish, as often as you wish.

4. When you make a telephone call, you hire a mighty servant to work for you at small cost. And that servant is more useful than ever. In the past ten years, the number of telephones on the Coast has almost doubled. We're hard at it to provide more and better service for more people. And each new telephone added makes every telephone that much more valuable.

The Pacific Telephone and Telegraph Company

More than 70,000 people working together to furnish ever-better telephone service to the West
