Just a Coupla Old Cowpokes

If the gentleman on the left finds it as natural to sit in the governor's chair as he does to occupy the seat of a saddle the grand old state of Oregon is headed for a good administration after January 1, 1948. Photographer Louis Lyons caught Senator Douglas McKay and Representative Henry Peterson as they rounded the Rosewall Motor Co. corner during the parade Saturday, September 4. Senator and Mrs. McKay spent the day here, both attending luncheons in their honor and then taking in the rodeo in the afternoon. Peterson has done better as a tractor jockey than as a bronco buster but he displays an air of familiarity with the saddle.

A TAX-FREE MEASURE THAT WILL BENEFIT EVERY OREGON CITIZEN

Remember—one pledge covers many Red Feather services. Because we have a well-managed Community Chest uniting many appeals, you are called on only once a year for all of them. So when you give, GIVE ENOUGH... enough for ALL Red Feather services... enough for a FULL year.

Everybody benefits... Everybody gives

A TAX-FREE MEASURE THAT WILL BENEFIT EVERY OREGON CITIZEN

Will Rogers said:

"It's great to be great, but greater to be human!"

REMEMBER reading about that scared, teary-eyed girl arrested for shoplifting? The wise judge suspended sentence. A Red Feather youth service stood by the girl—guided her. Now she's one of the most popular leaders in the girls club.

(The men and women who support Community Chest services like this are really human.)

Recall the 81-year-old scrubwoman so badly hurt getting off the bus last summer? Our visiting nurse reports she'll be up and about soon.

(Thanks to those human folks whose contributions to our Chest keep the visiting nurse "visiting.")

And surely you saw the pictures in the paper of those five freckle-faced redheads (all under 8) whose father deserted the family? Day nurseries are minding those youngsters while the mother is at work.

(Sort of makes you feel awfully glad you gave liberally to our Chest last time; eh, buddy?)

We COULD go on and on. We COULD tell you about the baby that was "sure to die" until the clinic (sparked by your dollars) saved her. And we COULD tell about our Family Service agencies and how many bewildered couples they've helped over domestic and financial hurdles (thanks to your dollars!).

But Will Rogers said it all. The really "greater" folks who support our Red Feather services don't crave fame. THEY JUST WANT TO BE HUMAN.

We know that's how you feel, too. We know you'll dig down right past your heart and deep into your pocketbook when the Chest Volunteer calls this week.
