PRIZE-WINNING FLOAT

The Soroptimist club, youngest civic activity organization in these parts, was not too juvenile when it came to preparing a float for the annual Morrow County Fair and Rodeo parade. The club's entry was awarded first prize in the organization group. The circular piece represents the emblem of Soroptimist International and the winsome lass is one of Heppner's popular high school students, Marjorie Pierson.

Oregon Grain To Feed Europe's Hungry

Bruce Reed proudly pledges a load of grain as his family's contribution to CROP, Christian Rural Overseas program. Reverend Miles G. Blickenstaff, state director of CROP, receives Bruce's pledge. In the next few weeks, hundreds of CROP workers will visit Oregon farms, collecting grain, dairy and poultry products dried or canned fruits and vegetables and other things that Oregon farmers grow to load the Oregon CROP train. In November the train will start East, and its load will feed the hungry of Europe next winter. The CROP program is church sponsored, and all workers are volunteer.
