Simple Rules Spell Safety for Drivers

Beware carbon monoxide during cold weather spells, motorists were advised today by Secretary of State Earl T. Newberry.

Seventeen fatal accidents in Oregon last year were charged to drivers becoming fatigued or actually falling asleep at the wheel.

Prevent driver drowsiness, the secretary said. He added these rules for avoiding accidents in winter weather:

1. Avoid sudden starting or stopping on slippery surfaces. Get the "feel" of the road before starting, and apply brakes lightly and intermittently.

2. Keep far enough behind the vehicle ahead of you to enable you to stop safely if necessary.

3. Slow down well before reaching intersections and curves.

4. Do not drink alcohol before driving.

5. Do not drive if you are tired.

6. Do not drive if you are under the influence of any drug.

7. Do not drive if you are suffering from any illness.

8. Do not drive if you are feeling drowsy.

9. Do not drive if you are feeling nervous.

10. Do not drive if you are feeling impatient.

11. Do not drive if you are feeling angry.

12. Do not drive if you are feeling sad.

13. Do not drive if you are feeling lonely.

14. Do not drive if you are feeling bored.

15. Do not drive if you are feeling restless.

16. Do not drive if you are feeling impatient.

17. Do not drive if you are feeling nervous.

18. Do not drive if you are feeling sad.

PROPER WINTER CONDITIONING

Depends on... FULL NUTRIENT BALANCE

It takes more than a single protein to keep cattle gaining steadily through the winter. Here's proof.

The superiority of Larro "Farm-tested" Cattle Supplement over various single protein supplements has been proven in many basic tests made by General Mills scientists.

Time and again it's been proved that Larro gets extra weight gains... higher market prices... greater profit over feed cost.

Order Larro Cattle Supplement today.

Morrow County Grain Growers Association, Inc. Heppner - Lexington - Lone
