Time to Save  
electricity!  
4:30 to 6:30  
every workday afternoon

It's no cuckoo idea... it's sober fact... unless you reduce your use of electricity from 4:30 to 6:30 there may be a breakdown in your electric service. At this time of year the demand for electricity is extra heavy in the late afternoons. The problem will be critical everywhere in the Pacific Northwest until big new power plants are finished. Protect your electric service... keep industries going... please save electricity from 4.30 to 6:30 every way you can!
