(Official Navy Photograph)

There's plenty of good, wholesome food at every "chow down" period for Naval Aviation Cadets in training at Pensacola Naval Air Station and seconds are always in order. Pensacola Naval Air Station, the "Annapolis of the Air," is the focus of the recently reactivated Naval Aviation Cadet training program, which is open to healthy, single young men between 18 and 25, with at least two years of college. Upon graduation they are commissioned en-signs in the Naval Reserve, or second lieutenants in the Marine Corps Reserve, are awarded their wings and assigned to two years' active duty. (Official Navy Photograph)
