OUR DEMOCRACY—by Mat

GOOD CIRCUMSTANCES— EACH GENERATION IN AMERICA HAS HAD ITS OWN MEASURE OF WHAT CONSTITUTES "GOOD CIRCUMSTANCES."

IN THE PIONEER DAYS OF OUR COUNTRY, A MAN WAS IN GOOD CIRCUMSTANCES IF HE HAD, FOR HIS FAMILY, A HOME IN A LOCATION SECURE FROM ATTACK—A PIECE OF LAND AND A HORSE WITH WHICH TO WORK IT.

LATER ON, AS AMERICA DEVELOPED, AND THE SECURITY OF ITS HOMES BECAME ESTABLISHED, "GOOD CIRCUMSTANCES" CAME TO EMBRACE MORE HOME COMFORTS AND CONVENIENCES—GLASS WINDOW PANES, FRANKLIN STOVES, CHINA DISHES—MORE SUBSTANTIAL TOOLS TO WORK WITH.

BUT THROUGHOUT OUR HISTORY THE CONCEPT OF "GOOD CIRCUMSTANCES" HAS CENTERED AROUND THE HOME AND FAMILY. IT HAS EMBRACED THE OPPORTUNITY TO PROVIDE THE SUBSTANCE OF LIVING, TO NURTURE THE BONDS OF LOVE AND AFFECTION AND TO PLAN CONFIDENTLY TOWARD THE FAMILY'S FUTURE WELL-BEING.

The most Beautiful BUY for Driving and Riding Ease—with New Center-Point Design

The most Beautiful BUY for Styling. Not only is Chevrolet's Unisteel Body by Fisher more solid, more sturdy and more satisfying to ride in, but it is also more beautifully designed, upholstered, and appointed than other bodies in the Chevrolet field. It has smarter colors, too!

The most Beautiful BUY for Comfort. Here, you can relax as you ride...in a Super-Size Interior...featuring "Five-Foot Seats," extra-generous head, leg and elbowroom, and the advanced heating* and ventilating system of a car that breathes. (*Heater and defroster optional at extra cost.)

Just as you can see the difference and hear the difference born of quality when you close the door of a Chevrolet Body by Fisher, so you will experience the difference when you drive or ride in this car that America calls the most beautiful buy of all.

And what a decisive difference you will find in its driving and riding qualities! New Center-Point Design—including Center-Point Steering, Center-Point Seating, Lower Center of Gravity without loss of road clearance and Center-Point Rear Suspension—brings you an entirely new kind of driving and riding ease found elsewhere only in costlier cars.

Here, indeed, is the most beautiful buy of all—for total car value—because it brings you all these qualities of costlier cars at the lowest prices and with outstanding all-round economy!

New "Dubi-Life" Rivetless Brake Linings—Last up to TWICE as long! Linings are secured to brake shoes by a special "Perma-Bond" process thoroughly tested and proved by millions of units under all kinds of driving conditions. Because there are no rivets to limit lining wear or score brake drums, lining life is practically doubled. Chevrolet is the first full-sized car to bring you this important braking advancement!

The most Beautiful BUY for Thrills and Thrift. Nowhere else will you find such a perfect balance of power, acceleration, economy and dependability as you'll find in Chevrolet's Valve-in-Head Engine! That's why more and more makers are adopting Valve-in-Head design.

The most Beautiful BUY for All-Round Safety. You'll enjoy maximum safety with: (1) New Certi-Safe Hydraulic Brakes; (2) Extra-Strong Fisher Unisteel Body; (3) New Panoramic Visibility; (4) Safety Plate Glass in windshield and all windows; and (5) the super-safe Unitized Knee-Action Ride.
