attending were Mr. and Mrs. Cecil Jones and children, Charles Buchanan, Joy Geharz, George Evin and the daughters of Mr. and Mrs. McMillan, Pat and Jo. John Spence and Mrs. Rhoda Jones of Union.

Miss Katherine Carty, who makes her home at the Glenn Griffiths, spent the Easter holidays at the home of her parents in Klamath Falls.

Mr. and Mrs. Douglas Gibson and family were visitors last week at the home of Mrs. Gibson's parents, Mr. and Mrs. Charles Breshears.

Refreshments of ice cream, cookies and candy Easter eggs were served. The table was decorated with Easter bunnies, blue and white with pink movable ears. After the party each child was given a colored Easter egg. Entertainment was an Easter egg hunt on the lawn.

THE WEAKER SEX? Note to men who blame our traffic problems on women drivers— In Oregon last year, according to Secretary of State Earl T. Newby, men outnumbered women as drivers in fatal accidents by 13 to one. The year before it was 11 to one.

So what, you say? Men drive more than women. Doesn't prove a thing—until we see that the accidents of housewives are less likely to be fatal than those of any other occupation group. If Mother is driving when an accident occurs, the odds are 631 to one against death, more than double the 260-to-one odds for all drivers.

Students have the worst accident severity record, closely followed by farmers and laborers. Only professional and business men approach the housewives in this safety comparison.

As a further sidelight, Newby adds that men are also more likely to be killed in pedestrian accidents. While only twice as many men are injured, four times as many are killed. And still we say "the weaker sex!"
